For the Third

Community Workshop on the City of Sausalito's Housing Element Update

Goals, Policies, and Programs Workshop
Saturday, December 3rd at 9:30am
Bay Model, 2100 Bridgeway, Sausalito

You are cordially invited to attend the third community workshop on the housing element update. We will discuss the draft programs and policies to meet the State of California's housing plan requirement to provide opportunities for housing in Sausalito at all income levels. Some of the draft programs include encouraging new second units (aka, "granny flats"), legalizing existing unpermitted second units and demonstrating that liveaboards in our marinas are housing units. As a part of the Housing Element Update the City is also evaluating capacity for additional housing units within the City's current residentially- and commercially-zoned parcels. Using input provided at the workshop, the Housing Element Task Force will make a recommendation to the City Council regarding the draft Housing Element. Your participation, input, and suggestions are critical to a successful outcome!

WHEN: Saturday, December 3, 2011 TIME: 9:30am-12:00pm
WHERE: Bay Model, 2100 Bridgeway
Refreshments will be provided
