RE: Bank of America Signs
750 Bridgeway
Sausalito, CA

To The Historic Landmarks Board,

I relayed all of the information from the last HLB meeting, stating what had been discussed as well as providing them with the minutes/notes of the meeting to Coast Sign. Ron Womeldorff, the sales executive from Coast Sign, then spoke to Brad Wakahiro, the Jones Lang LaSalle project manager, whom is handling the current sign project for the bank. The bank stated to Mr. Wakahiro and Mr. Womeldorff that they wish to use the current Branding Standards for the remodeled exterior.

Thank you,

Gregory A. Graves
