

Highlights

Population Growth: Population in Sausalito declined by 4% over the past ten years to 7,000, in contrast to the statewide growth rate of 10%. The largest decline was in the workingage white, non-Hispanic population (-1,000).

Diversity: The racial and ethnic composition stayed largely the same over the past decade, remaining predominantly white, non-Hispanic at 87% of the total population. The small Hispanic and Asian population shares increased slightly.

Population by Age

Age Structure: Sausalito is much older than the state overall with a median age of 51, compared with the California median age of 35. The share of the population age 65+ is 21% of total, nearly double the 11% share statewide.

Households: Single-person households are especially common here, making up 47% of all households compared with 23% statewide. Only 8% of households are consist of married couples with children, compared with 23% in California. Among individuals 65+, 41% live alone, compared with 25% for the state.

Education: The population is highly educated, with 72% of adults having attained a Bachelor's degree or higher, compared with 30% of adults in the state overall. Only 1% of the population has less than a high school degree, compared with 20% statewide.

Income: Median household income is \$107,000, 78% higher than California as a whole. Only 11% of households reported income of less than \$25,000, lower than the 20% of households statewide.

Foreign Born: The foreign-born population accounts for only 15% of the total, compared with 27% statewide. Most of the immigrants, 62%, are from Europe.

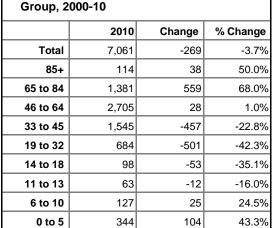

This demographic profile is part of a series of library jurisdiction profiles prepared for the California State Library by the Stanford Center on Longevity. The project, "Understanding California's Shifting Demographics," was supported in whole by the U.S. Institute of Museum and Library Services under the provisions of the Library Services and Technology Act, administered in California by the State Librarian. The opinions expressed herein do not necessarily reflect the position or policy of the U.S. Institute of Museum and Library Services or the California State Library, and no official endorsement by the U.S. Institute of Museum and Library Services or the California State Library should be inferred.
