Parks & Recreation Commission

John Lerner, Chair Doreen Goundard Melissa Mooney
Joe Burns, Vice Chair Cindy Powers Sela Seleska

We had a great 2011. The Commissioners thank Mike Langford, Erin Stroud, Jeff Dybdal, Anita Wong and all the Parks and Recreation staff, and volunteers for their dedication and hard work. I know I speak for all, when I say we are enthusiastically looking forward to 2012.

Robin Sweeney Park's renovation is moving forward. Community support for the park renovation has been terrific. We continue to look for community input and review as we move forward. Thank you Sausalito for your continued participation and financial support.

Harrison Park's renovation is also moving forward with our initial step being park clean up and sight preparation. Improvements and upgrades to our Sausalito parks and facilities will continue as funding permits. Our park and recreation programs also continue to grow in numbers and quality. Mike Langford, Erin Stroud and Jeff Dybdal have done a wonderful job in managing the Parks and Recreation Budget and their utilizing California State Grant Funds.

We are continually seeking volunteers to join our Citizens' Advisory Committees. The generous support and involvement of the Sausalito community is paramount to a strong and meaningful Park and Recreation department. Jeff Dybdal continues to do a terrific job developing new classes and programs. If you have any comments or suggestions for possible new summer classes or programs, let Jeff know. Erin Stroud, our Special Events Coordinator, is always hard at work planning the next community event. If you haven't already done so contact Erin Stroud or Anita Wong about available tables for Jazz by the Bay, Sausalito's premier summer event. Jazz by the Bay is the place to be every Friday night this summer

Remember, it is never too late to get involved with the Parks and Recreation Department. Erin Stroud is actively reaching out to the community for volunteers for all upcoming 2012 events. Contact Erin if you want to get involved. Should you have any questions Anita Wong is always ready willing and able to see that you are directed to the proper resource person within the Department.

As a reminder, the Sausalito Parks and Recreation Commission meets the third Wednesday of every month at 6:30 pm in the Edgewater room at City Hall, 420 Litho Street. These monthly meetings are open to the public. Any agenda items should go through the Park and Recreation Department office at **289-4152**. Your attendance and participation is always welcomed.

On behalf of all the members of the Parks and Recreation Commission and the dedicated Sausalito Parks and Recreation Staff, we would like to say that it is both a pleasure and privilege to serve you the Sausalito community. We look forward to making 2012 an exciting and fun Parks and Recreation year.

Respectfully submitted,
John Lerner, Chair, Sausalito Parks and Recreation Commission

Want to Get Involved?

The Sausalito Parks & Recreation Department strives to provide quality programs to Sausalito and its community that enhance growth, expression, and recreation through people, parks, and programs.

**WOULD YOU LIKE TO MEET NEW PEOPLE?
GET TO KNOW NEW FRIENDS AND NEIGHBORS?**

Whether you've just moved here or are a longtime resident, an exciting and fun way to meet the people in your community is to volunteer for the Sausalito Parks & Recreation Department. We're already busy planning this year's Breakfast with Santa, Easter Egg Hunt, and Caledonia Street Faire. So, you can tell we need volunteer help with all of these events throughout the season. If you want to help drive these events and participate on a different level, how about joining a committee for a specific event? The time commitments usually require several pre-event meetings and event day participation. The reward is supporting our community and having fun while doing it! Did you know you can have this much fun without leaving town? Call the Recreation Department at **289-4152** and let us know how you'd like to help.

Sister City Gears Up for a Busy 2012

The Sausalito Sister City Program has a full year ahead in 2012! We have been asked to plant a commemorative tree in Sausalito for the Cherry Blossom Festival's Centennial year. We have invited Sakaide Mayor Hiroshi Aya and a delegation to come and help us celebrate the 75th anniversary of the Golden Gate Bridge in late May. We will also be working closely with Mayor Mike Kelly this year as we plan for and host the Sister City students visiting from Sakaide this summer.

Early recruitment will be underway soon for families in the Sausalito area to host one or two students in their homes. If you are interested in hosting a Sakaide student during their 2012 summer visit, kindly let me know. It is a remarkable experience!

The Sister City organization recently added three new Board members—Mayor Mike Kelly, E.V. Gilbreath and Dina Hatchuel. Welcome aboard! We have also enlarged our committee membership and have many new faces. With all this talent, we look forward with confidence to a great year for the Sister City Program.

To support all of our efforts, the Sister City continues to explore opportunities for fundraising events and educational programs to enhance awareness about the program. Japan is recovering from a devastating 2011 and we are proud that we have a strong and healthy relationship with Sakaide. We are very fortunate to have the City of Sausalito behind us, as well as the Sausalito Lion's Club, Sausalito Rotary and Yoshi Tome of Sushi Ran. We hope more of you will join our Sister City team in 2012 by serving on committees, helping us plan the students' visit, hosting a student or simply showing your support by making a donation. We welcome and appreciate all of your support!

Our very best for a glorious 2012.

National Park Service Programs in the Marin Headlands

BATTERY TOWNSLEY OPEN HOUSE

3/4, 4/1, 5/6 (12PM–4PM)

Open the first Sunday of each month. Battery Townsley at Fort Cronkhite was San Francisco's most extensive—and most secret—World War II military fortification. From 1940 to 1948, it mounted two massive battleship guns and housed more than 100 soldiers in an extensive network of underground tunnels; during the Cold War, it was used as an underground research facility.

Long closed to public access, Battery Townsley has been refurbished and the public is invited to visit and explore this labyrinthine fortification. Battery Townsley is reached via a moderately strenuous hike up the Coastal Trail approximately half-mile north of the Rodeo Beach parking lot. For further assistance to the site, call **331-1540**.

NIKE MISSILE SITE OPEN HOUSE

3/3, 4/7, 5/5 (12:30PM–3:30PM)

Open the first Saturday of each month, and Wednesday, Thursday and Friday afternoons. Unique in the National Park Service, this restored Cold War anti-aircraft missile site has intriguing stories to tell. Leashed pets are welcome. For up-to-date visiting hours or tours, phone **331-1453**. Buildings above ground are wheelchair accessible. Visit the Nike Missile website at www.nps.gov/nike-missile-site.htm.

BEGINNING BIRDING

3/11, 4/8, 5/6 (9:30AM–11:30AM)

Spring is back! Welcome our avian migrants back to the Marin Headlands - join volunteer Jane Haley in an easy walk along Rodeo Lagoon to discover what birds visit us in passing through and who comes here to nest. Meet at the Marin Headlands Visitor Center. Bring binoculars, field guides. For ages 8 and up; no pets. Rain cancels. For reservations call **331-1540**.

COASTAL DEFENSES OF SAN FRANCISCO BAY

3/4, 4/1, 5/6 (1PM–2PM)

The Coastal Defenses of San Francisco Bay have played an important part in major historical events. These events include the end of the Mexican American war, the Gold Rush, California statehood, the Civil War, WWI, and WWII. Each event added the desire for improved coastal defense capabilities. Join docent Warren Riley for an illustrated presentation of the Coastal Defenses of San Francisco Bay - 1850 to 1950. We will be discussing the advancements and thinking behind the many attempts to provide this critical area with the best and most advanced defenses of the day. For reservations, phone **331-1540**. Wheelchair Accessible.

FORT BAKER REVEALED

4/20 (1PM–3PM)

Learn about nature and history at Fort Baker on a moderate 2-mile walk. Bring a camera and wear comfortable shoes and warm layers. Meet ranger Will Elder at the kiosk in front of the Bay Area Discovery Museum, corner of center and New Breitung roads, Fort Baker. Reservations required: Call **331-1540**.

HISTORIC FORT BAKER TOUR

3/24, 5/19 (1PM–2PM)

Come visit Fort Baker's historic Colonial Revival buildings and learn how this 1905 army post represented a new and improved standard of living for the officers and soldiers stationed here. Meet architectural historian Kristin Baron at the Cavallo Point reception building, 601 Murray Circle. This easy, 1-mile walk has one slightly steep hill climb. Program limited to 20 people; heavy rain cancels. For reservations and parking information, call **331-1540**.

Lighthouses of San Francisco Bay

3/4, 4/1, 5/6 (11AM–12PM)

Following the discovery of gold in 1848, the Bay Area experienced one of the most explosive population expansions in modern history. During the latter half of that century, the men and women of the lighthouse service, aided by their light and fog signals, directed hundreds of ships to safe passage through the Golden Gate and often provided life-saving services. These services played a critical role in the growth of a new state. Join docent Warren Riley for an illustrated talk inside the Marin Headlands Visitor Center. For reservations, phone **331-1540**. Wheelchair Accessible.

WILDFLOWER PHOTOGRAPHY HIKE

3/31 (9:30AM–12PM)

COMMUNITY:ANNOUNCEMENTS

Sausalito Village

Sausalito Village, an idea whose time has come, arrived at our shores in October 2010 and has been growing exponentially ever since. One of many Villages which have sprung up across the United States in the past ten years, it is modeled on Boston's Beacon Hill Village which launched in 2001 when a group of Beacon Hill residents, determined to remain in their homes as they aged, banded together to create the kinds of support systems they would need to accomplish their goal.

If you are 60+ years of age and planning to stay in your home in Sausalito as you grow older, you might consider enjoying the benefits of membership in Sausalito Village. Under the auspices of its umbrella organization, Marin Village, the key element of membership is a single telephone number that you can call for referrals to service providers. Some services are provided by volunteers and others are available for a fee, often discounted, from thoroughly vetted third parties. Such services might include transportation to the Airport, shopping, and doctors' appointments; small household repairs; computer training and support; referrals to qualified health care workers; respite and support for caregivers.

In addition to the service hotline, membership opens up the opportunity to become part of a vibrant community of people who share in many social, cultural, and recreational events. SV members have attended the Marin Symphony, the Fisher Exhibit of Photography in San Francisco, and a presentation at the studio of the late Sausalito artist, Walter Kuhlman. They also participate in classes in Yoga, flower arranging, and memoir writing. Our "neighbors helping neighbors" volunteer program invites you to participate in an active volunteer corps already making a difference in our community.

Members of the steering committee are: Betsy Stroman, Chair, Charlie Arenson, Doris Berdahl, Lee Follett, Ann Heurlin, Felicity Kirsch, Jackie Kudler, Barb Lokkesmoe, Lois Prentice, Beverly Robbins, Rick Seymour, Sharon Seymour, Stella Shao, and Dana Whitson. For more information, you can visit our website at www.sausalitovillage.org, contact us by e-mail at sausalitovillage@gmail.com or call Betsy Stroman at 331-1464.

Sausalito Chamber Purchases Office Building

Late last year, the Sausalito Chamber of Commerce realized a long-term goal and purchased a property located at 1913 Bridgeway. In addition to providing office space for the Chamber of Commerce, part of the three-story, multi-use building will be leased to generate additional revenue for the Chamber.

The chamber had been considering investing in real estate for the past few years as a way to secure the organization's ongoing financial sustainability. "The question of whether to 'rent or buy' is similar for the chamber as for other entities and individuals. In this case, because of the finite term of our contract with the Sausalito Art Festival and the availability of a suitable building at an attractive price, we have determined that the best way for the Chamber to protect its economic future is through this purchase," said Chamber Treasurer Joe Lemon.

When the chamber sold the rights to the Sausalito Art Festival, they negotiated an agreement whereby the new event organizers (The Sausalito Art Festival Foundation) make 13 annual "royalty" payments of \$100,000 to the Chamber. In order to preserve this asset, and in anticipation of these payments expiring in 2020, the chamber has been actively looking at ways to maximize use of these monies as well as supplement this funding source.

"While we are continuing to look at ways to reduce expenses and develop new revenue sources, this transaction is a big step towards addressing the Chamber's long-term financial viability," said Chamber CEO, Oonagh Kavanagh. She also noted that the new location on Bridgeway will provide far greater visibility and better access for visitors.

The Chamber Board of Directors believes that this investment in real property in Sausalito is consistent with the organization's mission to invest in the community. The Chamber completed their move to the new space in December last year. The new address is 1913 Bridgeway; the phone number remains the same **331-7262**.

Friends of the Sausalito Public Library

Founded in 1961, the Friends' mission is to support the Library through volunteer assistance and by financial contributions to enhance the Library's collections and services. Membership dues and book sales are the major sources of income.

Typically the Friends contribute each year to fund the Library's "wish

list” covering such items as the Speaker Series, computer classes, museum passes, children’s programs, new DVDs, audiobooks, music CDs, and furniture. The Friends have also contributed significantly to the book budget.

New Friends are always welcome—and needed! As a member of the Friends, your support is vitally important. We are blessed to have a wonderful Library here in Sausalito and by continuing to pull together we can keep it that way. Membership forms are available at the Library’s circulation desk and online at friendsofthesausalitolibrary.org. Your FRIENDship is appreciated!

BOOKSTORE

Have you visited the Friends’ book store lately? It’s just upstairs from the Library and is always receiving new inventory. The store offers nearly-new bestsellers, gorgeous antique classics, and everything in between. Don’t miss the lavish art books, the music, and the children’s corner. Hours are Mondays 9am–5pm and on Wednesdays and Saturdays 10am–1pm. The Friends also maintain a book sale area in the Library, including a section dedicated to children’s books. (Even if you don’t have children yourself, it can be fun to revisit your old favorites.)

The Friends rely on your book donations to keep the book store operating. You may drop off your donations in the library at any time during library hours. There is a donation barrel just inside the door. Donations may also be left in the bin in the 3rd floor hallway outside the book store entrance. A cart is available to bring books in from the parking lot. If you have a large donation (multiple boxes or bags) we would be grateful if you brought them during sale hours. If you cannot plan a drop off when we are open, call Libby Wilkinson at **332-0206** and she will arrange to meet you at City Hall at your convenience. Donations are tax-deductible.

VOLUNTEERS

Do you have an extra couple of hours a week or even once a month? Why not join a congenial group in a friendly work environment? Volunteers are always needed to help with book sales and lend a helping hand in the Library. No experience is necessary; we will train you.

If you would like to help with the Monday and/or Wednesday book sales, contact Libby Wilkinson at **332-0206** or libbywilkinson2@gmail.com. For the Saturday book sales, call Mary Lou Anderson at **332-6440**. You can also just drop by the bookstore when it is open and we will gladly put you to work.

If you would like to volunteer in the library itself, contact Jim Delano at **215-6538** or jdellano43@comcast.net and he will be happy to schedule times that are convenient for you.

Sausalito Library Foundation

SHARING SPACE IN THE LIBRARY

As welcoming as it is, the Sausalito Public Library was not designed three decades ago to operate the way it does now. Enormous changes in technology and media since the 1975 remodel have prompted an evaluation of the way this space is used. And the success of the Library’s children’s programs in recent years has boosted the number of very young patrons who need an environment that encourages their love of reading. The Library has been bursting at the seams trying to maintain a worthy collection, provide traditional services, and shoehorn all new media into existing space.

The Sausalito Library Foundation funded the hiring of a library planning and interior design firm to examine our library’s physical space, assess its ability to serve the community, and recommend plans for the future. The firm’s Space Needs Assessment is available at the Library and can be viewed online on the Library’s website.

Planning for a new or expanded library is a long-term proposition. We’re not there yet. But the Foundation will lend its support to the Library Board of Trustees and match funds with the library’s capital improvements fund to move ahead, as an interim strategy, with short-term improvements in the Library’s current envelope of space. Working with our new City Librarian and the Trustees, we want to make sure that our beloved library remains relevant, accessible and comfortable. The best is yet to come.

FOUNDATION INFORMATION

For more information about the Library Foundation, call **331-3084** or write to 420 Litho Street, Sausalito 94965. Emails may be directed to bgeisler@sbcglobal.net.

HOW YOUR DONATIONS SUPPORT THE LIBRARY

Sausalito Library Foundation: Contributions are used to establish a long-term revenue source for the support of the Library through special programs and projects. We are most appreciative of the many individuals and organizations whose generous contributions have already helped build our financial resources and have funded critical programs.

Friends of the Library: Contributions support immediate needs and short-term projects on the library’s wish list.

Note: Neither the Friends of the Library nor the Sausalito Library Foundation contributions are meant to supplant our publicly funded library budget.

Keeping Sausalito History Alive

To celebrate Phil Frank Day on March 31, the Sausalito Historical Society will open a new exhibit of Phil's cartoons that ran in the *MarinScope* from 1977-1984. These satiric masterpieces, penned by Phil Frank under the name Fritz Crackers, will be displayed along with the news stories that inspired them, as well as a few surprises. Mark your calendars for the opening reception scheduled for March 31, 2012. Member invitations will be sent in February.

Congratulations to long-time Society member Doris Berdahl, who manages the Ice House visitors center and historic exhibit downtown. Doris won the Frank Papouschek Community Service Award from the Chamber of Commerce last fall.

The Historical Society has been pleased to participate in the revitalization of Sausalito's sister city relationship with Viña del Mar, Chile. In July, we helped welcome Viña del Mar's Mayor Reginato on her first visit to Sausalito. Mayor Wiener took copies of the Society's historical books on his visit to Chile in December. An article and timetable tracing the history of Sausalito's relationship with Viña del Mar can be viewed at www.sausalitohistoricalsociety.com/marin-scope-columns.

Last November, architectural historian Laura Ackley discussed the people of San Francisco's 1915 Panama Pacific International Exposition—the world's fair that gave Sausalito those distinctive elephants in Viña del Mar Plaza. This fundraising event packed Wellington's Wine Bar.

Over the holidays, lutenist Eric Kjørliien played music of the Renaissance courts, churches and castles at the Society's Ice House. This holiday treat was free to the public.

In January, SHS docent Steefenie Wicks, a founding member and resident photographer for the Galilee Harbor Community, shared her images and spoke about the history of the association in Sausalito Council Chambers.

Schools Program

Under the leadership of SHS board members Susan Frank and Bob Woodrum, the Society continues to reach out to students from Bayside School and Willow Creek Academy. Third graders learned about and visited some of Sausalito's historic buildings in November. This spring, classroom presentations and field trips will focus on noteworthy Sausalitans from 100 years ago, and on the historic Marinship area. Each program involves approximately 40–50 students, over a dozen docents, numerous parents, school administrators and local businesses.

The Historical Society contributes a weekly history column to the *MarinScope*, and some of the most recent columns have been posted on our website: www.sausalitohistoricalsociety.com. The site also features links to other local historical organizations, and to the *Sausalito News*, which is searchable online from 1885-1923.

Facilities

With the help of memberships and an active docent program, the Sausalito Historical Society—a volunteer, non-profit organization—maintains the Phil Frank Research Room and Exhibit Room at 420 Litho Street. The Society's mission is to collect and preserve art, artifacts, photographs and printed materials that document Sausalito's history, and the public is invited to visit from 11 am to 1 pm each Wednesday and Saturday. We are continuing to upgrade the Society's storage facilities, thanks to generous donations from SHS members.

The Ice House at 780 Bridgeway carries books, greeting cards, videos, posters, and note cards with stunning photographs of Sausalito and particularly appealing shots of harbor seals and sea lions off our waterfront. The Ice House is open Tuesday through Sunday from 11:30am to 4pm.

You can step back to a dramatic time in Sausalito history by touring the Marinship exhibit at the Bay Model. This display of photographs, paintings and actual artifacts from the WWII ships and yard was developed as a collaborative effort between the staff of the U.S. Army Corps of Engineers' Bay Model Visitor Center and the Historical Society. Historic walking tours of the Marinship area are also offered. Check the schedule at http://www.spn.usace.army.mil/bmvc/bmjourney/calendar/bi_monthly/front.html.

The SHS also provides access to the collections for public and academic research; and presents outreach programs to inspire local interest in Sausalito's history and to educate the visiting public and enrich the community.

Willow Creek Academy Update

Almost two thirds of the school year have passed. Students are deep into a variety of assorted projects. Third graders are practicing their Noh drumming in anticipation of performing at the San Francisco Cherry Blossom Festival in April and 6th through 8th graders are engrossed in absorbing the Adobe Youth Voices curricula. Other classes are preparing for concerts and dramatic productions in order to share their learning with audiences beyond their classrooms.

Both of the programs mentioned above, are the result of partnerships Willow Creek has created with other non-profit organizations. The Noh Drumming Class is supported and organized by NPO infusion, a local organization whose mission is to share traditional Japanese culture. On the NPO website, there is a statement "If only we understood each other, just one little bit more than now, we could perhaps pass on the light of friendship to achieve peace. In 1995, we founded the NPO Infusion on such an aspiration." Our 3rd graders have been the local beneficiaries of a traditional drumming program. What is exciting about the program this year, is the fact that since our students have been learning about African drumming in their regular music program, the acquisition of the skills needed for the tsuzumi drums, came very naturally to them. As a result, these young musicians realized that drumming is a universal way of making

music, not limited to just one culture.

The Adobe Youth Voices program was made possible by a generous grant from the Sausalito Arts Festival Foundation. The Adobe Foundation created this initiative to assist youth in acquiring media literacy. For young people to have a comfortable relationship using media allows them to formulate media project ideas and themes, plan their production, review their work (as well as the work of others) and share their work with others in hopes of spurring positive change. The Arts Festival grant is providing a teacher to work with our 6th through 8th graders in mastering four specific aspects of media: writing, music, animation and video.

What is striking about both of these projects, is their alignment with the statement in the Willow Creek Charter document to "develop world citizens who can thoughtfully and carefully develop responses to a variety of situations..."

Whether it be exploring traditional Japanese culture or reaching out using the most recent technology, our students are fortunate to have these experiences in their formative, elementary school years. It is our hope that they will be able to pass on that "light of friendship".

If you wish to learn more about our programs, please feel free to check our website, www.willowcreekacademy.org or call our office at 331-7530.

The CERT Trailer has Arrived in Sausalito

Residents of Sausalito may have noticed the new CERT* trailer that is parked behind the Sausalito Fire Building on Johnson Street. The Southern Marin Fire District, under Paramedic and Firefighter Larry Yoell's direction, bought and stocked the trailer with safety equipment such as a generator, water, first aid supplies, blankets, cribbing tools, radios, flashlights, walkie-talkies and more. Also, Sausalitians trained in CERT response have taken trailer safety, hook up and driving lessons last fall. CERT members can now tow the trailer to the scene of an incident to aid the public or respond to provide mutual aid to other Fire districts, as requested.

"The CERT trailer is an excellent resource to have in place, as well as a visible reminder that we all need to put together our own stocks of supplies in a safe container," a local resident said.

The money used to buy the trailer and supplies came from the non-profit Friends of Southern Marin CERT 501c3, and no public monies were used to purchase any of the equipment.

Save the date! The popular annual CERT and Fire Department fundraiser "Fire & ICE Ball" is coming on September 15, 2012.

*CERT stands for Community Emergency Response Team and CERT trains the public on readiness, people helping people, rescuer safety, and first aid and CPR among other skills. Several CERT teams are now active in Sausalito and Southern Marin and are ready to respond to an incident. If you are interested in CERT training and would like to sign up for classes, follow this link: <http://www.marincountycert.org/>.

Why Did My Vehicle Get Towed by the Sausalito Police Department? Part Two

There is a distinct difference between a vehicle that has been towed/stored versus a vehicle that has been towed/impounded. As we previously talked about in Part One (in the September issue of Sausalito Magazine) a vehicle that has been towed/stored may be immediately released without conditions. A vehicle that has been towed/impounded can be released as soon as the registered owner has complied with correcting the reasons the vehicle was towed/impounded. This article will talk about vehicles that have been towed/30 day impound.

BACKGROUND

The three most common reasons why a vehicle may be towed/30 day impounded:

- Driving with a suspended license
- Driving with a revoked license,
- Driving unlicensed

California Vehicle Code Sections 14602.6 and 14607.6 authorizes law enforcement agencies to tow and impound vehicles for 30 days when driven by unlicensed, suspended, or revoked drivers. There is also the possibility that the vehicle could be forfeited (taken from you) if you have a prior conviction for driving while unlicensed, or with a suspended or revoked license. In April 2011, the Federal Ninth Circuit Court of Appeals upheld these laws as being in the best interests of public safety. However, in October 2011, Governor Brown signed a new law that modified the impounding of vehicles driven by unlicensed drivers at DUI checkpoints.

It was a minor infraction... why was my car impounded?

Your car is being impounded because you have committed a misdemeanor, not an infraction. By operating a motor vehicle without a valid driver's license you have committed a serious offense.

How long will my vehicle be impounded?

The vehicle will be impounded for 30 calendar days.

How do I get my car released?

At the end of 30 days, go to the Sausalito Police Department where you will be given a release after paying an administrative fee of \$125 (cash or credit card only). After presenting the release to the tow company and paying the tow and storage fees, your vehicle will be released to you.

Can I get my car released before the 30 days is up?

The vehicle may be released prior to the end of the 30-day period when the driver reinstates his or her driver's license or acquires a driver's license and proper insurance. It is also possible to obtain an early release of an impounded vehicle if the registered owner is able to

provide an explanation with mitigating circumstances to the hearing officer.

What if I don't agree with the reason the officer towed/30 day impounded my car?

Under the provisions of Vehicle Code Section 22852, you may request a hearing to determine the validity of the storage of your vehicle. You must make the request to the Sausalito Police Department within 10 days of the initial tow date. The request must be in person, writing or by telephone.

The following excuses will not help when your vehicle is being driven by an unlicensed driver and then stopped by a law enforcement officer for any reason:

- *My brother borrowed the car. I did not know his license was suspended.*
Under section 14604 CVC, the owner of a motor vehicle has the duty to assure the person driving their vehicle has a valid license; however, if you allow or permit anyone (including your wife, son, daughter, friend or relative) to drive your vehicle and that person does not have a valid license, then you will be responsible for the towing and storage fees. You will not have access to the vehicle for 30 days.
- *She took my car without my permission. I am the owner, and I have a valid license.*
To say someone has taken your car without your permission is

not a valid excuse. Ask yourself "How did this happen?" Have you allowed him/her to use your car before? Did you ask to see his/her license? Any vehicle impounded for this violation will be released to the registered owner after 30 days.

NOTE: If it is determined your car was taken by an unlicensed driver without your knowledge or permission then a stolen vehicle report must be filed. The person charged with this crime will be arrested.

Art Healing for Seniors

Art healing is based on the belief that the creative process involved in artistic self-expression helps people to resolve conflicts, solve problems, develop interpersonal skills, manage behavior, reduce stress, and increase self-esteem and self-awareness. In short, art healing is a process of self-discovery that promotes relaxation, insight, and personal fulfillment.

The purpose of art healing is not to create technically crafted and refined artwork but to assist people in both being in-tune with and expressive of their inner life, thereby promoting personal health and well-being. Creating art is an intuitive process that does not depend on the usual rules of logic or rational thought; participants are freed to express themselves in unique and interesting ways - whatever they find to be gratifying. Never limited to a particular subject matter or way of creating a work of art, in this class everybody is free to choose media and materials for creating a self-expression of images that is individually satisfying and unique to each participant's desires and interests.

Everyone is welcome to a FREE introductory session on March 6th.

Examples of media and materials that we work with: PAINTING & SKETCHING: Watercolor, Oil, Acrylic (or Tempera), Oil Pastel, Chalk Pastel, Felt-Tip Marker, Finger Paint, Pencil and crayon, Stamp. SCULPTURE: Clay, Play dough, Model Magic. COLLAGE: Paper & Print Media, Cardboard, Poster board, Wood, Vinyl

Private Tennis Lessons

TENNIS ENTHUSIASTS! Look no further—private tennis lessons are available here at reasonable prices. Beginning through tournament competitive players are welcome to register for private lessons.

Instructor **Jon Holtz** was a San Francisco All-City Selection as the #1 Singles player for Lowell High. He played varsity college tennis for Cal Riverside's national championship squad. He prides himself as being extremely patient as well as an exceptional motivator especially as a player he's been in your shoes and won 5.5 "A" tournaments.

Jon's coaching style incorporates multiple forms of eastern meditation for a balanced approach to court focus, confidence, and desire. Jon is a serve and volleyer with topspin groundstroke emphasis. Book with him and together, you'll have lots of fun and tailor you into tennis shape!

To register and schedule your lesson time, call **289-4152** between 8:30am–Noon or 1:30pm–5pm, Monday–Friday. Lesson must be booked in advance to notify instructor of scheduled lesson time. Booking must be arranged more than 48 hours prior to beginning of lesson. Fantasy Valiant Tennis Boot Camp

Lucky protégé competitors will train with instructor **John Holtz, J.D.**, tennis metaphysical author, University of San Francisco collegiate varsity star, and 5.5 "A" champion! After three months of training for one, two or three sessions a week and an optional off-court regimen, each protégé will be entitled to team up with John and compete together for one day of a sanctioned doubles tournament at the protégé's skill level of choice. (John is not currently ranked, so he is free to enter a tournament at any entry level!) Mixed doubles is an especially welcome option! This is your big chance to train so that you are good enough to compete in a Northern California Tennis Association tournament with a pro who has a proven track record to personally guide you into the competitive fray! Do you wish to chase athletic triumph? Are you up and coming, older, inexperienced, rusty, but still have the competitive fire? Let John light the embers of your torch and take you to another level of distinction! Tournament fees are not included in the package, although John will be happy to carpool with you to the tourney.

While training, we will work on serve and volley, slam and bang tennis, consistency, big topspin groundstrokes, doubles strategy, roadwork conditioning from the "wheelsy footwork guru," himself, the mental game, visualization and meditation techniques for maximum court focus, confidence, and desire. Team up with two-time, San Francisco All-City Tennis Selection and All-City San Francisco Resident's 5.5 "A" Finalist John Holtz in an effort to champion real tournament rounds and have oodles of fun preparing for the tournament of your life!
