CITY OF SAUSALITO
COMMUNITY DEVELOPMENT

Greetings,

I am the owner of Frank Howard Allen, Sausalito, a local resident for 23 years, and serve on the Sausalito BAC.

To call this an opportunity is absolutely ridiculous. The property at 217 second street is not a lot. It has 215 2nd St on it, a 1909 beautiful and historic building on it. This is the oldest Real Estate office in Sausalito. It also provides parking for not only this building but the customers of Golden gate market. This is the only market serving the south end of Sausalito. To talk about taking the parking away from the market that serves this community and my office is wrong. To identify this site is 100% anti business and lacks basic common sense. Opportunity, yes, an opportunity to put two of the oldest businesses in Sausalito out of business.

Sincerely,

Eckart Noack
