# PROJECT DESCRIPTION

#### **SITE LOCATION**

<u>Neighborhood:</u> The project site is located along the bay front within the Waterfront Zoning District. The neighborhood consists of commercial, marine-related uses and park land.

<u>Subject Parcel:</u> The subject parcel is a level lot located at the east end of Napa Street. The site has consists of a parking area, grassy park and the Galilee Harbor Marina and office.

#### **PROJECT DESCRIPTION**

The applicant is requesting a minor use permit to allow a temporary Maritime event to be located on the grassy park, and an adjacent gravel area at the Galilee Harbor (**Attachment 3, Exhibit B**). The Maritime Day event is in honor of Galilee Harbor's 32<sup>nd</sup> Anniversary, and designed to be a family event with a marine flea market, traditional boat building demonstrations, boat rides and a floating home tour.

The proposed Maritime event will be held on August 4, 2012, with the event set up taking place on August  $3^{rd}$  and event take down on the  $5^{th}$ . The event is designed to showcase approximately 31 booths for artists and local vendors to show and sell their work and goods. Booths 1 through 11 and

19 through 31 are located solely on the Galilee Harbor property, however booths 12 through 18 are proposed to be located in the Napa Street right of way. All booths and event activities proposed to take place in the public right-of-way require the approval of a Low Impact Special Event Permit, issued by the City's Parks and Recreation Department. Staff has included this permit as a Condition of Approval as seen in **Attachment 2** of **Exhibit B**.

The applicant is also proposing the temporary installation of a 30 by 30 foot and 20 foot tall white tent, to provide coverage for the musical acts while they perform on the event stage. The performance tent is to be located completely on Galilee Harbor's property and shall not extend into the Napa Street public right-of-way.

Currently there are approximately 70 parking spaces within the Galilee Harbor parking lot that will be available during the time of the event, and there is additional public parking nearby at Dunphy Park.

### PROJECT ANALYSIS

#### **GENERAL PLAN CONSISTENCY**

The project site is located within the Waterfront General Plan Land Use Designation. To approve the proposed project, the Zoning Administrator must determine that the project is consistent with all applicable General Plan policies. Staff has identified the following policy of the Economic Element as most relevant to the proposed project:

# ✓ Policy E-3.3: Other Businesses. Encourage diverse business opportunities.

The proposed Maritime Day accommodates a temporary event to utilize the talents of local artists, encouraging business opportunities for the prevalent artist community in Galilee Harbor and the surrounding areas. The site has been designed to take advantage of the waterfront location by providing marine uses such as a park and marina, creating a location for temporary events such as the Art Show. The temporary event will be located on an existing grass park and will not negatively the property or surrounding areas. Lastly, the event is temporary and will not create a permanent land use which conflicts with the purpose and intent of the General Plan. As such, staff suggests the proposed use is consistent with the intent of the General Plan's Land Use Element.

#### **ZONING CONSISTENCY**

Temporary uses and events are permitted in the W Zoning District. Pursuant to Section 10.44.310, Temporary Uses and Events, of the Zoning Ordinance, any use, except mobile homes, may be authorized on a temporary basis for up to a maximum of one year in any Zoning District.

Staff suggests the findings to approve the minor use permit are able to be achieved on the basis of the following:

- ✓ The temporary event will utilize the existing open space associated with the project site. The applicant will provide approximately 70 parking spaces for event participants, with addition public parking located nearby.
- ✓ The project site is designed to provide access to a publicly maintained road (Napa Street), and required to comply with a condition of approval, therefore, complying with all provisions of the Zoning Ordinance.
- ✓ The temporary event tent will not negatively impede established views.
- ✓ The tent structure is required to adhere to all provisions of the Building Code as well as the Fire Code which will ensure the temporary event tent and vendor booths will not be detrimental to the public health, safety, or general welfare of the City.

✓ The temporary use is consistent with the intended purpose of the project site and the surrounding properties.

An issue for consideration by the Zoning Administrator relates to accessibility for disabled persons to the event. Staff has created a condition stating that the applicant shall have an ADA Accessibility Plan approved by City Engineering Staff prior to the commencement of the Maritime Day on August 4, 2012 The plan shall include:

- Identify parking for disabled persons;
- Identify an accessible route from identified parking area to the Exhibition Area;
- Include disabled persons porta-potty or identify a route to an accessible bathroom;
- Identify persons responsible for responding to Disability Accommodation Requests;
- Submit a Sign Program for disabled persons.

# **PUBLIC NOTICE AND CORRESPONDENCE**

- June 4, 2012 Notices were mailed to all residents and property owners within 300 feet of the project site.
- No written correspondence was received at the time of writing the staff report.

# RECOMMENDATION

Staff recommends the Zoning Administrator approve the attached draft resolution (**Exhibit A**) which approves a Minor Use Permit to allow a temporary use permit for a Maritime Day with temporary tent structure to be located at the Galilee Harbor at 300 Napa Street on August 4, 2012 (MUP/TUP 12-129).

Alternatively, the Zoning Administrator may:

- Approve the modification to the Minor Use Permit with modifications;
- Continue the hearing for additional information and/or project revisions; or
- Deny the modification to the Minor Use Permit and direct Staff to return with a Resolution of Denial.

#### SAUSALITO ZONING ADMINISTRATOR RESOLUTION NO. 2012-XX

# APPROVAL OF A MINOR USE PERMIT FOR A TEMPORARY MARITIME DAY EVENT AT 300 NAPA STREET (MUP/TUP 12-129)

WHEREAS, on May 24, 2012 an application was filed by Doreen Gounard, on behalf of the property owner, Galilee Harbor Community Association, requesting Zoning Administrator approval of a Minor Use Permit to allow a temporary event for a Maritime Day and installation of a temporary tent structure to be located within the Galilee Harbor property at 300 Napa Street, August 4, 2012 (APN 064-082-01); and

**WHEREAS**, the Zoning Administrator conducted a duly-noticed public hearing on June 14, 2012 at which time all interested persons were given an opportunity to be heard; and

WHEREAS, the Zoning Administrator has reviewed and considered the project plans prepared by the applicant, date-stamped received on May 24, 2012; and

WHEREAS, the Zoning Administrator has considered all oral and written testimony on the subject application; and

WHEREAS, the Zoning Administrator has reviewed and considered the information contained in the staff report for the proposed project; and

WHEREAS, the Zoning Administrator finds that, as conditioned herein, the proposed project is consistent with the General Plan and complies with the Zoning Ordinance requirements as described in the staff report; and

WHEREAS, approval of the proposed project is categorically exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15304(e), Minor Alterations to Land.

#### NOW, THEREFORE, THE ZONING ADMINISTRATOR HEREBY RESOLVES AS FOLLOWS:

- 1. The project is exempt from the requirements of CEQA pursuant to CEQA Guidelines Section 15304(e), Minor Alterations to Land.
- 2. The Minor Use Permit to allow a temporary use permit for a Maritime Day to be located at the Galilee Harbor at 300 Napa Street on August 4, 2012 is approved based upon the attached findings (Attachment 1), subject to the attached conditions of approval (Attachment 2), and as shown in the project plans date-stamped May 24, 2012 (Attachment 3).

# ZONING ADMINISTRATOR RESOLUTION June 14, 2012 MUP/TUP 12-129 300 NAPA STREET

**ATTACHMENT 1: FINDINGS** 

#### 1. MINOR USE PERMIT FINDINGS

Pursuant to the Zoning Ordinance Section 10.58 (Minor Use Permits), the permit is approved based on the following findings:

- A) The proposed use is allowed with issuance of a Minor Use Permit, pursuant to Chapters 10.20 through 10.28 (Zoning District Regulations), Chapter 10.44 (Specific Use Requirements) or any other applicable section of this Title 10.
  - Pursuant to Section 10.44.310, Temporary Uses and Events, of the Zoning Ordinance, any use, except mobile homes, may be authorized on a temporary basis in any Zoning District. Furthermore, Section 10.44.310.A.3 allows a single extension of the time limit not to exceed the length of time originally allowed.
- B) The proposed use is consistent with the General Plan, the purposes of the Zoning Ordinance, and the purposes of the applicable zoning district.
  - The temporary maritime event is consistent with the intent and purpose of the General Plan, and Zoning District Waterfront Zone based on the Maritime Day's non-permanent use.
- C) The proposed use, together with the applicable conditions, will not be detrimental to the public health, safety, or general welfare of the City.
  - The proposed Maritime Day will utilize the existing parking area used for the Galilee Harbor, for event traffic. Prior to installation of the temporary vendor booths, and tent structure the applicant is required to adhere to all approved Conditions of Approval, and demonstrate compliance with all provisions of the Building Code as well as the Fire Code which will ensure the temporary event and vendor booths will not be detrimental to the public health, safety, or general welfare of the City.
- D) The proposed use complies with all of the applicable provisions of the Zoning Ordinance.
  - As stated in Finding A, any use, except mobile homes, may be authorized on a temporary basis in any Zoning District provided such use complies with development standards related to access, fire protection, and water supply and sanitation. The project site is designed to provide access to a publicly maintained road (Napa Street), and required to comply with a condition of approval, therefore, complying with all provisions of the Zoning Ordinance.
- E) The proposed use or facility is properly located relative to the community as a whole and to land uses and transportation and service facilities in the vicinity.
  - The Maritime Day is located in an area that is accessible to the public via public streets, and private parking lot. The event is temporary and will not create a permanent land use which conflicts with the Waterfront zoned areas or adjacent park. Lastly, the project site is also located within walking distance to public transportation facilities.

- F) The size and shape of the subject property is adequate to provide features needed to ensure reasonable compatibility with land uses normally permitted in the surrounding area. Features may include but not be limited to yards, open spaces, walls and fences, parking, loading, landscaping, and such features as may be required by this Title or the Commission.
  - The Maritime Day with vendor booths will be located on the Galilee Harbor property, with the majority of the vendors located on the existing grassy park area. Because the tent structure and vendor booths are temporary in nature they will have minimal impact on existing nearby businesses, and will not impact existing view corridors.
- G) Public utilities and facilities are or will be adequate to serve the proposed use, including streets and highways paved (and of adequate width) for the quantity and type of traffic it will generate.
  - All public utilities and facilities are adequate for the proposed temporary event. There are no proposed changes to the existing public utilities or facilities.
- H) The proposed use will not materially adversely affect nearby properties or their permitted uses.
  - The temporary use is consistent with the intended purpose of the project site and the surrounding properties. The event will be held within the Galilee Harbor property, which is hosting the Maritime Day. The event will increase the pedestrian traffic in this area, which may increase business for nearby establishments, and will not adversely affect the nearby businesses.
- I) Findings required by Chapter 10.44 (Specific Use Requirements) for the approval of specific uses are made.

Not applicable, as there are no specific use requirement findings.
