* BALLOT DESIGNATION REQUIREMENTS

* At the option of the candidate, ONLY ONE of the following designations maybe used:

1. Words designating the elective city, county, district, state or federal office which the candidate holds at the time of filing the nomination papers to which he or she was elected by vote of the people, or to which he or she was appointed, in the case of a superior or municipal court judge.
2. The word "Incumbent" if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or in the case of a superior or municipal court judge, was appointed to that office.
3. Hyphenated words that appear in any generally available standard reference dictionary, published in the U.S. at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.
