RE: late correspondence-Sprint Site

AFCENED

DEC 12 2012

Lily,

CITY OF SAUSALITO

We received the late correspondence about the alternate site. We would like to request a continuation to better review the alternate site and be prepared for the next hearing.

Please let me know when the next hearing date will be.

Alyse Mathis Streamline Engineering & Design, Inc. 8445 Sierra College Blvd. Ste. E Granite Bay, CA 95746 Phone: 916-996-4327

Fax: 916-660-1941

Subject: late correspondence-Sprint Site

Planning Commissioners,

Please find attached another late mail item from Mrs. Osborn. She let me know when she dropped it off today that it is a copy of a mail item she wrote to the City Council in 2000.

Please let me know if you have any questions,

Lilly Schinsing

Associate Planner
