Did you know you can have this much fun without leaving town? Call the Recreation Department at **289-4152** and let us know how you'd like to help.

COMMUNITY:ANNOUNCEMENTS

Sausalito Sister City News

Dear Sausalito Residents,

We are proud to announce that Sausalito has three vibrant Sister City programs: Viña del Mar, Chile, Sakaide, Japan, and, now, Cascias, Portugal. What an amazing feat to be able to develop and support three Sister City relationships. Each of the three sister city relationships is coordinated by a separate Committee:

- Sausalito/Sakaide Sister City Committee, chaired by Susan Roe
- Sausalito/ Viña del Mar Sister City Committee, chaired by Mike Moyle
- Sausalito/Cascais Sister City Committee chaired by Vasco Morais.

Sausalito Sister Cities, Inc., our 501(c)(3) non-profit corporation, oversees all three Committees.

We recently hosted two official visitors from Viña del Mar in October. Messrs. José Miguel Gil, the Director of the city's Department of Culture, and Germán Von Appen, a noted local artist, participated in a week-long program filled with many educational, cultural and social events. We held a reception at Studio 333 to showcase twenty paintings of Mr.

Von Appen. Mr. Von Appen also kindly donated one of his paintings for the silent auction at the Chamber of Commerce "Celebrate Sausalito" fundraiser event, which he and Mr. Gil both attended with Committee Chair Mike Moyle. The art work was won by Stanford Hughes and his wife, EV – EV serves on our Sister City Board of Directors. Mike Moyle and his Viña del Mar Sister City Committee did a terrific job of hosting the program.

We have an official delegation from Cascais, Portugal visiting from May 1-6, 2013 with many events planned, including the formal signing of the Sister City "Twinning Agreement" with Cascais. A Country & Western concert featuring Trainwreck Junction, and "hoedown" dance contest fundraising event is being held at the IDESST Portuguese Hall at 511 Caledonia Street on January 5, 2013 to raise funds for our newest Sister City relationship and kick-off celebrations for the 125th anniversary of the IDESST Hall which was formed in 1888!. Visit our web site for details and to purchase tickets: www.sausalitosistercities.org.

We will be taking a large delegation to Sakaide, Japan in late July early August of 2013. If you know of any students between the ages of 15-17 kindly have them be in touch so we can have them complete an application form to see if they qualify to make the trip to Japan. We are also celebrating the 25th anniversary of the Sausalito/Sakaide relationship this coming year.

We have so much to be thankful for so for starters a large "thank you" to Cathy Stierhoff, our Spirit of Marin 2012 recipient, who has assumed the volunteer role of Sausalito Sister City Program Treasurer for many years. Cathy is stepping off the Board and Mike Kelly will be assuming her role as Treasurer. Cathy: your years of service are not without notice and we all will miss you so much. Jean Patterson also stepped down as our PR representative and Cheryl Popp has assumed that role. Jean: you will be missed also.

We want to reach out and thank the residents of Sausalito and Marin who have supported our Sister City Program for all of these years. We are "fun(d)raising" right now and anyone can contribute at any time by writing a check payable to "Sausalito Sister Cities, Inc." and mail it to Sausalito Sister Cities, Inc., 420 Litho Street, Sausalito, CA 94965. Feel free to contact me at 415-331-3126 if you need additional information. We have a number of important programs planned for 2013 and we are grateful for your support by making a contribution.

Look for information about all upcoming SSCI events on our website and the Facebook pages for our three sister city committees. You can find links to those three pages on the SSCI website (www.sausalitosistercities.org).

We thank you and wish you a pleasant Holiday Season!

Radio Sausalito is our own community radio station, which broadcasts on the air at 1610 AM and on local cable channel 26. Since 2000 the station has been providing Sausalitans with great Foot Stompin' Jazz 24 hours a day—an incredible mix from the earliest jazz recordings through Dixieland, swing, big band, dinner jazz, experimental jazz to today's most modern recordings. Station founder Jonathan Westerling has also provided hundreds of people with on-air training in the art of radio broadcasting.

In addition to great music, here are some of Radio Sausalito's locally produced shows:

- **Gumbo:** The music of New Orleans; Journeys in Latin Jazz - the history and variations of this diverse art form. Hosted by RuthAnn Spike
- **Barracuda by the Bay:** Jazz of the 1970s with artists like Don Ellis, Thad Jones and Weather Report. Hosted by Barbara Clark

- **Sausalito's Secret History:** Short tales of Sausalito's colorful history. Hosted by Larry Clinton

Radio Sausalito is a great way to give something back to the community and be involved in a unique local resource. Each approved host will receive training on the station's equipment in our new swanky on-air studio. You will also get assistance in refining your on air delivery, show production and execution for the best on air sound. Show prep and writing can be mostly done at home. Sausalito Village

Sausalito Village is dedicated to providing practical assistance, social connections, and resources that enable our members to stay independent and supported in their Sausalito homes as long as possible, as they grow older. Sausalito Village is operated by an all volunteer steering committee under the fiscal sponsorship of Community Initiatives, a non-profit 501(c)(3) organization that provides fiscal sponsorships for community projects throughout the San Francisco Bay Area.

A key element of membership in Sausalito Village is a telephone number that you can call to request assistance and referrals to the types of services and support you require. Most of our referrals are to a dedicated team of more than 50 volunteers, all of whom have been thoroughly vetted and passed a background check. These volunteers are available to provide services such as transportation to the Airporter, shopping, and doctor's appointments, help with small household repairs, computer training and assistance, friendly visits to homebound members, and respite and support for caregivers. At the request of a member, trained volunteers will do a safety assessment of the member's home, make recommendations for modifications that can be taken to reduce risks, and refer the member to volunteer and/or paid service providers to accomplish these modifications. A health care advocacy group, consisting of volunteers with experience in some area of the health care field, will assist members in navigating their way through the increasingly complicated health care system to ensure that their needs are identified and appropriately addressed.

When the type of assistance needed by a member goes beyond what a volunteer can reasonably offer and requires the help of a paid professional service provider, referrals will be made to service providers whose qualifications and references have been thoroughly checked or who are personally recommended by Sausalito Village members.

In addition to the service hotline, membership opens up the opportunity to become part of a vibrant community of people who share in many social, cultural, and recreational opportunities. Under a grant from the Sausalito Art Festival Foundation, Sausalito Village organizes and provides transportation to cultural programs and events in the San Francisco Bay area. Recent trips have included, among others, trips to the Hess Collection and Winery in Napa, "The Paley Collection, A Taste for Modernism," at the De Young Museum, The Santa Rosa County Museum, and a San Francisco Symphony rehearsal. There are also periodic member lunches at Sausalito restaurants, monthly meetings with guest speakers, a chair yoga class, a memoir group, Thursday coffee hour, a weekly bocce game, a book group, volunteer recognition events, and numerous other activities.

Members of the Sausalito Village Steering Committee are: Betsy Stroman, Chair, Sharon Seymour, Vice Chair, Charlie Arenson, Mary Barter, Lisa Brinkmann, Meg Fawcett, Felicity Kirsch, Jackie Kudler, Lois Prentice, Rick Seymour, Stella Shao, Agnes Shapiro, Dana Whitson, and Carolyn Zaroff. For more information contact us at info@sausalitovillage.org or call Betsy Stroman at 331-1464.

1/6, 2/3 (Noon–4 pm)

Open the first Sunday of each month. Battery Townsley at Fort Cronkhite was San Francisco's most extensive – and most secret – World War II military fortification. From 1940 to 1948, it mounted two massive battleship guns and housed more than 100 soldiers in an extensive network of underground tunnels; during the Cold War, it was used as an underground research facility. Long closed to public access, Battery Townsley has been refurbished and the public is invited to visit and explore this labyrinthine fortification. Battery Townsley is reached via a moderately strenuous hike up the Coastal Trail approximately half-mile north of the Rodeo Beach parking lot. For further information call **331-1540**.

BEGINNING BIRDING

1/13, 2/10 (9:30am–11:30 am)

Winter birding in the Marin Headlands offers birds from near and far. Explore the trail around Rodeo Lagoon with Docent Jane Haley to learn which birds spend the winter in our mild climate. Meet at the Marin Headlands Visitor Center. Bring binoculars, field guides. For ages 8 and up; no pets. Limited to 15 people; Rain cancels. For reservations call **331-1540**.

COASTAL DEFENSES OF SAN FRANCISCO BAY

1/6, 2/3 (1pm –2 pm)

The Coastal Defenses of San Francisco Bay have played an important part in major historical events. These events include the end of the Mexican American war, the Gold Rush, California statehood, the Civil War, WWI, and WWII. Each event added the desire for improved coastal defense capabilities. Join docent Warren Riley for an illustrated presentation of the *Coastal Defenses of San Francisco Bay - 1850 to 1950*. For reservations, phone **331-1540**.

HISTORIC FORT BAKER TOUR

1/12, 2/9 (1pm–2 pm)

Come visit Fort Baker's historic Colonial Revival buildings and learn how this 1905 army post represented a new and improved standard of living for the officers and soldiers stationed here. Meet architectural historian Kristin Baron at the Cavallo Point reception building, 601 Murray Circle. This easy, 1-mile walk has one slightly steep hill climb. Program limited to 20 people; heavy rain cancels. For reservations and parking information, call **331-1540**.

LIGHTHOUSES OF SAN FRANCISCO BAY

1/6, 2/3 (11am–Noon)

After the discovery of gold in 1848, the Bay Area experienced one of the greatest population expansions in modern history. During the latter half of that century, the men and women of the lighthouse service, aided by their light and fog signals, directed hundreds of ships to safe passage through the Golden Gate and often provided life-saving services. Join docent Warren Riley for an illustrated talk inside the Marin Headlands Visitor Center. For reservations, phone **331-1540**.

OWLS OF THE TENNESSEE VALLEY

2/2 (4:30pm–7:30pm)

In mid/late winter, our whoot-whooping residents are especially active as they prepare for mating season. Join us for an easy four mile dusk hike through the Tennessee Valley, where we will search for and learn more about the owls that reside in and visit the Tennessee Valley. Meet Steffen Bartschat at the Tennessee Valley trailhead. Program limited to 25 people. Bring water, layered clothing, a flashlight, binoculars, and snack. No dogs. \$3 optional material fee.

Muir Woods in Winter

Winter is the most dramatic, if not the best time of year to visit Muir Woods. The dry fall weather transitions to stormy winter. The redwoods sway and creak in winds pushed ahead of multiple storm fronts. The first storm, usually in mid-October, can be a harbinger of the season after months of drought. Redwood Creek rises, and begins a sequence of color changes over days, a hint of what is occurring upstream in the watershed. From muddy brown to opalescent grayish green, all things washed by the rains end up in the creek, flow rapidly past the trails, and on toward Muir Beach just three miles away.

When Redwood Creek is sufficiently high and opalescent clear, then the time of waiting for salmon begins as local residents check our website or Twitter (@muirwoodsnp) for news of salmon's return. The coho salmon run is from mid-December through February, with the steelhead salmon run occurring soon after and extending until April. Programs highlighting coho and steelhead salmon are offered in the Woods on a staff available basis.

Check the Muir Woods website, <http://www.nps.gov/muwo> for popular programs such as Muir Woods after Hours, Owl Wars, and Gravity Car Hike. If you enjoy, a quiet nature walk, arrive early at the park, and pick up a self-guide trail map for \$1 at the Bridge 2 self-serve box. Numbered signs lead the way past Cathedral Grove, and the self-guide explains the ecology of an old-growth redwood forest. For kids, Muir Woods offers Quest and Junior Ranger activity booklets that can be downloaded from the website or picked up at the Visitor Center. These fun, free programs are highly recommended for families with children ages 6-12 years.

Muir Woods opens every day at 8am. Parking is free, but the entrance fee is \$7 for visitors 16 years or older. The Muir Woods Visitor Center, Muir Woods Trading Company café and gift shop, Muir Beach, Muir Beach Overlook, and Stinson Beach open at 9am daily.

SCHOOLS PROGRAM SCHEDULED FOR SPRING

Our bi-annual educational program for local elementary school will again provide living history lessons to students from Bayside Elementary School and Willow Creek Academy this spring. The program involves approximately 40 third grade students, over a dozen SHS docents, numerous parents, school administrators and local businesses. Participating students will receive plaques commemorating their research work at a joint ceremony later in the school year.

NEW EXHIBITION: SAUSALITO SETS SAIL

Next summer, in time for the America’s Cup races, we will open our latest community-produced exhibit project, Sausalito Sets Sail. The exhibition will feature a treasure trove of engaging educational components—from historical photographs and oral histories to a sailboat display and hands-on activities for families. If you’re interested in helping develop this exciting exhibition, please contact the Society.

Until then, we’ll continue to exhibit FRITZ (THE WIT OF PHIL FRANK) CRACKERS), a display of Phil Frank cartoons which ran weekly in the Marin Scope from 1977-1984. The exhibition is open on Wednesdays and Saturdays at the Society’s newly renovated Exhibition Gallery on the second floor of Sausalito City Hall, 420 Litho St.

WHAT’S BEEN HAPPENING

FALL FUNDRAISER AT THE PINES

In November, SHS members and guests enjoyed an exclusive opportunity to view a wonderfully restored mansion in the Sausalito hills. The magnificent home was built by Major and Mrs. Orson C. Miller on the eponymously named Miller Avenue in 1888. The property, normally closed to the public, was open to a limited number of guests for a wine tasting and house tour.

This 4th of July the Society was involved in all three of Sausalito’s community events: the parade, picnic and fireworks show. The award-winning SHS parade entry celebrated several different decades of history. It showcased the Victorian era with a Penny-farthing, the 20’s with a hand-built 1925 Bugatti racing car, and the 60’s with a 1966 Mercedes-Benz, a 1967 Mustang and a cruising bicyclist costumed to celebrate the artists of that time period. A special award was received for “best vintage car”. Kids and adults alike enjoyed our booth at Dunphy Park’s picnic. Kids were invited to “Create Your Own Sausalito Flag”, families enjoyed guessing “Who’s Dunphy” for a prize of free admission to the Bay Area Discovery Museum, and our very own Ice House docent Julie Warren was the lucky winner of the raffle prize of a table for six to the evening’s firework show.

In partnership with Spaulding Wooden Boat Works, Sausalito Historical Society docents offered Free Boat Tours of the Sausalito Waterfront during Spaulding’s monthly open house receptions this summer and fall. The tours were hour-long waterfront boat rides in the wooden lobster boat “Dixie” lead by docents Mickey Allison, Steve Bode (standing, in photo), Larry Clinton, Susan Frank, Ted Sempliner, Annie Sutter, and Steefenie Wicks. Other volunteers helped sell historic books and memorabilia, and distributed SHS information.

ONGOING ACTIVITIES

Our “Secret Sausalito History” spots on Radio Sausalito (1610 AM), continue to feature little-known factoids from our colorful past. They can also be heard on the web at <http://radiosausalito.org/category/sausalitos-secret-history>.

Are you curious about the history of your home or any facet of Sausalito’s past? Drop by our Research Room any Wednesday or Saturday between 10am and 1pm and our friendly, knowledgeable docents will be happy to help you.

The Ice House at 780 Bridgeway carries many gift items for locals, their friends and family. It’s open Tuesday through Sunday from 11:30am to 4pm.

Step back to a dramatic time in Sausalito history at the Marinship exhibit at the Bay Model. This display of photos, paintings and actual artifacts from the WWII ships was developed by the staff of the U.S. Army Corps of Engineers Visitor Center and the SHS.

BEHIND THE SCENES

Last Spring brought some changes to the Sausalito Historical Society Board of Directors. In May Steve Fabes and Angela Wildman were elected to the Board as Directors to lead Fundraising and Special Events, respectively. In June, the SHS Board elected three officers to additional one-year terms. Larry Clinton, Sharon Seymour and Linda Sempliner were re-elected as President, Secretary, and Treasurer. Board member Donald Sibbett was elected Vice President.

CAN YOU HELP?

The Society is currently looking for information on the Marinship's Plate Shop to supplement our archives. The Plate Shop's function was to mold, cut and form steel shapes (parts) from various steel pieces that were brought in to the shipyard. The steel plates were then assembled to build the WWII ships Marinship is famous for. If you have any stories

or objects to share from the Plate Shop please contact us at **289-4117**.

Interested in becoming a docent? Want to work with kids? Love to write or research? Join one of the fun groups or committees to help with docent tours, accessions, the Schools Program, upcoming exhibits or events. Share your area of expertise or learn a new skill. Volunteer Opportunities exist in the many exciting aspects of our organization. We'd love to hear from you!

Friends of the Sausalito Public Library

THE FRIENDS ARE A LIVELY, BUSY BUNCH AND ALWAYS WELCOME MORE FRIENDS! How do the Friends support the Library? Well, have you tried one of the Library's new e-readers? Perhaps you've attended a speaker event or a computer class? Seen The Bubble Lady or used a museum pass? Those are all "wish list" items that the Friends sponsor. The Friends have also contributed significantly to the Library's book budget. And volunteers provide hundreds of hours of help each year.

How can you support the Friends? There are several ways you can help—and all are greatly appreciated. Membership dues, donations, and book sales are the major sources of income. You can also be a very valuable volunteer.

MEMBERSHIP

New Friends are always welcome—and vitally important! We are blessed to have a wonderful Library here in Sausalito and by continuing to pull together we can keep it that way. You can become a member in person at the circulation desk or online at friendsofthesausalitolibrary.org. You can also email fosi94965@gmail.com.

BOOKSTORE

Could you use a little retail therapy? The Friends Bookstore is the perfect place for you! It's on the top floor of City Hall and always receiving new inventory, including nearly-new bestsellers, gorgeous antique classics, and everything in between. Don't miss the lavish art books, the music, and the children's corner. Hours are Mondays 9am-5pm, Wednesdays and Saturdays 10am-1pm. You can also do a little shopping at the book sale area in the Library itself.

Do you have any books you'd like to donate? Without book donations, the store couldn't operate. You can give your old books a new life by dropping off donations in the hallway bin just outside the store or in the Library itself. A cart is available to roll them in from the parking lot. If you have a large donation (multiple boxes or bags) we would be especially grateful if you brought them directly to the store when it's open. If that's not possible, call Libby Wilkinson at **332-0206** and she will arrange to meet you at City Hall at your convenience. Donations are tax-deductible.

VOLUNTEERS

Do you have an extra hour or so a week – or even once a month? Why not spend that time amongst books and Friends! No experience is needed; we will train you.

If you would like to volunteer with the book sales: Please contact Libby Wilkinson at **332-0206** or libbywilkinson2@gmail.com (to help on a weekday) or Mary Lou Anderson at **332-6440** (to help on a Saturday). You can also just drop by the bookstore when it is open and we will gladly put you to work.

If you would like to volunteer in the Library itself: Please contact Jim Delano at **215-6538** or jdelano43@comcast.net and he will be happy to schedule times that are convenient for you.

However you choose to participate, your FRIENDship is always greatly appreciated. Thank you!

Sausalito Library Foundation

The Sausalito Library Foundation provides long-term support for the Sausalito Public Library. Donations and bequests from the community are used to maintain a revenue source to fund technology, special programs, and capital improvements. We work to ensure that our Library remains an essential community resource now and in the future.

The Foundation and the Friends of the Library are separate organizations, both 501(c)(3) nonprofits, that complement one another and collaborate to meet our Library's needs beyond the capabilities of city funding.

In light of remarkable shifts in technology and the delivery of information, the Sausalito Library, like all public libraries, has examined its role to best serve the community. The goal is to remain flexible and to make sure the Library's physical space meets ever-changing needs. Currently, in partnership with the City, the Foundation is helping to fund a remodel plan that will optimize existing space, provide more usable space for children, and accommodate the increased traffic in our small, but comfortable facility.

We are most appreciative of the many individuals and organizations whose generous contributions have helped build our financial resources. Income and appreciation of these gifts have helped the Foundation Fund grow. With this growth, we're helping to safeguard our Library's future.

FOUNDATION INFORMATION

For more information about the Library Foundation, call **331-3084** or write to 420 Litho Street, Sausalito 94965. Emails may be directed to bgeisler@sbcglobal.net.

HOW YOUR DONATIONS SUPPORT THE LIBRARY

Sausalito Library Foundation: Contributions are used to establish a long-term revenue source for the support of the Library through special programs and projects.

FRIENDS OF THE LIBRARY

Contributions support immediate needs and short-term projects on the Library's wish list.

Note: Neither the Friends of the Library nor the Sausalito Library Foundation contributions are meant to supplant our publicly funded Library budget.

Winter at Willow Creek

It is remarkable to realize that 2013 has already made its entrance. Willow Creek will be celebrating its 12th birthday at the end of this current school year. This year we have had an overwhelming response resulting in a student population that is hovering around 300 students in grades kindergarten through 8th. Such a change from 12 years ago when we had 37 students in grades kindergarten through 4th. Those first students of ours are now in college---some soon to graduate from a variety of four year institutions.

This school year we are focusing on several different areas of growth for our school community: One is the continued development of the creek restoration project located at the corner of Bridgeway and Nevada Streets and another is participation as a pilot school in the Discovery Museum's Center for Childhood Creativity Program.

You might wonder about the banner posted across some trees at the Creek Project. During the last five years, our students and parents have worked to enhance the health of the creek that daylights at that location. Many dump boxes of non-native plants as well as general refuse have been removed. A corps of our older students have developed great understanding and appreciation of the unique importance of this stream which runs throughout the entire year and does not dry up during the summer months. They have learned how to

check the purity of the water and what various readings mean. Most importantly, they have learned that much of the area where the stream is underground is on publicly owned property---including the Bayside/ Willow Creek campus and they are hoping to influence public officials to help uncover more of the stream. It's all about developing youth leadership and civic responsibility among our students. Come and help us take care of this priceless gem the next time you see a clean up date listed on the banner.

The Discovery Museum provided us with an opportunity for eight of our teachers to participate in intensive professional development around the nurturing of creativity in students. Much of what they are learning centers around the importance of allowing students and teachers to play, providing scenarios for children which encourage multiple ways of working with the materials. Many educators and other leaders believe that this is the most important 21st century skill we can help our students develop and refine. Keeping the creative spirit alive could well be how our greatest gift to our young---and not so young as well.

If you are interested in seeing how these two areas are being integrated into our program, feel free to schedule a visit to Willow Creek. Just call **331-7530** and we will be happy to arrange a tour and meeting for you.

Sausalito, a Dog-Friendly City

Sausalito is a very dog friendly city. Just look at all the businesses that put water bowls near their front doors and have treats available for our canine companions. Even the police department keeps dog food and treats on hand. However, this does not mean that everyone appreciates dogs, especially those dogs with owners with bad manners and disregard for our City's laws.

Here are a few friendly reminders to assist you in avoiding a citation. The City Ordinances referenced below can be researched further at the City of Sausalito website. In general, the following violations are complaint based, meaning the police department will respond to all calls generated by concerned citizens. Although we are not participating in "Doggy Stings" in the parks, please keep in mind that when an officer witnesses a violation (or steps in one) you are susceptible to receiving a citation.

Sausalito does have a leash law. City Ordinance 6.04.160 (Permitting Dogs to Run in Public Areas) prohibits any dog from running off leash in any public place or street (including sidewalks) and in any public park or public schoolyard except when leashed and under the direct control of the handler. There is one exception to the rule and that is the dog park located at 100 Ebbitide Avenue. Signs have been posted at the park that clearly designates the area where it is permissible for dogs to run freely.

Dogs are allowed on leash in most City parks; however, there are a few exceptions. Dogs are prohibited from Cazneau Park playground, Harrison Park playground, Robin Sweeny Park enclosed children only playground, and Southview Park enclosed children only playground. These are tiny enclosed spaces with children's playground equipment set in bark or sand pits. Dogs and children generally get along well

but both can get very excited. With numerous children at various ages in the playgrounds at any given time, it has been deemed safer to prohibit the entrance of dogs into these enclosed areas, ensuring child safety and parent relaxation.

Sausalito also has a clean-up-after-your-dog law. City Ordinance 6.04.171 (Sanitary Disposal of Dog Feces) requires owners or handlers to pick up after their dog on any public ground or private property not belonging to the owner or handler. It is a separate violation for dog owners or handlers to have their dogs in public but not be in possession of a baggie or wrapper to pick up after their dog. To encourage dog owners to be responsible, the City of Sausalito has kindly erected storage boxes around town (including in parks and on pedestrian walkways) that hold plastic baggies for dog clean-ups. If being considerate of others is not enough, here is an additional incentive to obey the dog related laws in Sausalito:

- For 2012, a violation of any of these infractions will cost you \$80, (\$15 base fine and \$65 in penalty assessments & surcharges levied by the court).
- For 2013, a violation of any of these infractions will cost you \$162, (\$35 base fine and \$127 in penalty assessments & surcharges levied by the court).

The Sausalito Police Department wants all people and their four legged companions to be healthy and safe and following these simple codes of conduct will ensure a happy and clean environment for everyone. Thank you.

**Giggles & Wiggles:
Belly Dance Parent and Me**

Get back into shape and feel like a Goddess, while having fun bonding with your baby/ies. Grandparents, Nannies, Caretakers and Aunties welcome too. This sacred and ancient art form is profound, irreverent and playful. It was originally for women to prepare for pregnancy, birth and postpartum. It creates a beautiful tone, shape and strength for all those key areas: core abdominals (tummy), thighs, hips, pelvic floor, buttocks, lower back. It enhances your body self esteem as you learn all women are goddesses, no matter what age or shape they are. Babies love the movements to help with colic, calming and going to sleep. They are fascinated by all the sparkles and jingles of the coins. According to one satisfied mom, "It is the only thing that I can do for me that entertains both my children—my baby watches and my toddler copies me." Please bring your baby carrier/sling and wear stretchy pants and a scarf of some sort for your hips. For brand new moms, please get permission from your health provider before participating, generally once your baby is six weeks old, you can resume exercise. No prior dancing experience is necessary.

Tatanya Jardine is a mom to a vibrant toddler and has been Belly dancing for 13 years. She has studied with many international Master teachers and performed internationally. She loves performing for kids birthday parties. She is also a Biodanza-Dance of Life facilitator under supervision. www.vibrantlifeproductions.com

ADULT CLASSES: FITNESS

Back Pain Relief

In college, instructor Amy Lynn Sabel broke her back. Always very active, she would not settle with daily back pain. This led her to develop a series of assisted stretching and core strengthening exercises that have kept her pain free and active. Amy wishes she could stand on top of a mountain and shout what she's developed to the world, but the next best thing is offering the Back Pain Relief class to interested students. 90% of Americans will have some kind of back pain during their life! You don't have to live with this pain. In the past 30 years, Instructor **Amy Lynn Sabel** has helped thousands of people of all shapes, ages and sizes live without back pain. The key to eliminating back pain is learning and practicing these exercises every morning—it only takes about 15 minutes and keeps you free of back pain. The best part is—IT FEELS GOOD! Anyone willing to put in the time can learn these basic exercises. We brush our teeth daily to keep them healthy—doesn't it make sense to also have a daily exercise routine to keep your spine flexible, strong and pain free? Call Amy with your questions **250-5439**.

Kundalini Yoga's unified approach to the body, mind and spirit helps develop our inner energy and re-connect us with the pure beauty and goodness that we are. This safe and comprehensive system is suitable for all fitness levels. Beginners are welcome!

Instructor **Gurukar Singh Khalsa** has been teaching Kundalini Yoga and meditation in the Bay Area for more than 30 years and is also a teacher trainer certified by the Kundalini Research Institute. His teaching style is fun and relaxed.
