

## WASTE CONTAINERS IN SAUSALITO

**Square Container**

Note: Square containers have a pebble surface. The door hardware on square containers can be detached for decoration and later reattached when the decoration is completed. Most of the round containers have a smooth concrete surface.

**Square Container With Recycle Topper**

**Open Round Container**

**Closed Round Container**

**Ashtray**

**Type 1**

**“Scud Launchers”**

**Type 2**
