CITY OF SAUSALITO
PLANNING DIVISION
MEMORANDUM

Date: March 27, 2013
To: Historic Landmarks Board (HLB)
From: Heidi Scoble, Associate Planner
Subject: **675 Bridgeway (AKA Petris or Homestead Savings & Loan) (APN: 065-131-06)**

Purpose of Review

The purpose of the study session review is to preliminarily review the proposed project prior to scheduling a joint Planning Commission-HLB meeting.

The applicant, David Ford, on behalf of Chase, is requesting a Sign Permit to allow for the installation of new business identification signage located at 675 Bridgeway.

Project

The project consists of the following:

- ✓ Installation of a vinyl business identification letters within the glass window transom on the façade of the building. The eight inch tall white vinyl letters will spell "Chase". The Chase logo is also proposed to be located adjacent to the letters. The logo will be blue vinyl. (See page 4 of the project plans)
- ✓ Installation of a hanging internally illuminated Chase logo sign. The sign will hang above the entryway and will be halo lit. The sign will consist of an aluminum housing, clear acrylic backed with "Oracal Translucent Vinyl", and LED lights to create a halo effect. (see page 8 of the project plans)
- ✓ Installation of a projecting blade sign. The sign will be 30" wide and 28" tall, and project 6" from the building wall. The blade sign will read "Chase" and include the Chase logo. The Chase copy will be white vinyl and the logo will be blue vinyl. The sign will be constructed out of aluminum and will be non-illuminated.

Background

The subject building is identified by the California Historical Resources Information System as being ineligible for the National Register. (see **Attachment 2**).
