

Sausalito Customer Survey

The City of Sausalito and Bay Cities Refuse are in the process of evaluating the usage by Sausalito's residents of the Household Hazardous Waste drop-off facility located at 565 Jacoby in San Rafael, (located at the disposal facility). This facility is available to Sausalito customers for dropping off household hazardous waste which is part of your overall service.

We would appreciate your help in evaluating the usage by Sausalito customers by taking a moment to complete this survey and return with your payment. Feel free to call Bay Cities at 332-3646 with any questions.
