Kim, Please forward this to the Planning Commission. Thanks.

Dear Members of the Planning Commission,

I would like to register my opposition to the building development that is proposed for 62 Marion Avenue. I feel that the buildings will be out of scale with other homes in the neighborhood and, therefore, out of character. I am concerned for all the neighborhoods in Sausalito. Also, I understand that the site for this development is precarious due to a slide zone and its proximity to earthquake fault lines.

Please do not allow this development to proceed.

Thank you,

Kim,

Please forward email below to the Planning Commission.

Dear Ladies and Gentlemen of the Planning Commission,

I would like to express my opposition to the development proposed by Peter McGuire at 62 Marion Avenue. Such a development will dwarf existing houses on the neighborhood and will encourage larger and larger developments in the future. This will eventually destroy the charm and character of all the neighborhoods in Sausalito.

Unfortunately, I will not be able to attend the Dec. 4th hearing in front of the Planning Commission. However, I request that my allotment of three minutes to speak, were I present, be given to Kim Stoddard to express some of my concerns.

I hope the Planning Commission rejects this damaging proposal.

Thank you,

Nina Koulischer
