Message from the

Parks and Recreation Director

WINTER 2016

Dear Sausalito,

Thank you for your vote of support to improve parks and facilities by passing Measure F. Your Parks and Recreation Department and Public Works Department are excited to get to work on making many needed park improvements and facility upgrades. In fact, the wheels are already in motion for Robin Sweeny and Dunphy Parks as well as facility improvements at the MLK Campus.

In early January we expect to award the contract to begin construction at Robin Sweeny Park. Once awarded, construction can begin. The construction time will depend on the weather we get this winter but our goal is to open the newly refurbished park for the summer season. Also in January we will have two community meetings on the design for Dunphy Park that the Friends of Dunphy have spent countless hours and effort putting together. Dunphy is often referred to as the "Residents Park" so we definitely want your input. In addition to working on the parks this winter, deferred maintenance projects identified in the facilities assessment completed last spring will begin at the MLK Campus.

We are definitely be busy but I cannot think of a better way or place to work. If you have any questions on these projects please do not hesitate to give me a call or send me an email.

I wish you all a merry and bright holiday season, and if the New Year brings about some new resolutions in your or your family's life, check the enriching courses that we offer.

Sincerely,

Parks & Recreation Commission

Doreen Gounard, Chair Cindy Powers Sela Seleska
 Joe Burns, Vice Chair

This past fall has been a season full of success and fun, from the passage of Measure F, which will fund the renovation of Robin Sweeny and Southview Parks, to the improvements at Dunphy Park and the MLK site, to the large number of Chili Cook Off participants—18 this year!—to the record number who paraded down Caledonia Street to make way to “Trick or Treat Lane” on the most perfectly balmy Halloween, to the success of another Community Garage Sale. We, your Parks and Recreation Commissioners and staff, are committed to enhancing the quality of life lived here in Sausalito. We request your input as we finalize a future Dunphy Park that meets your needs. Your Commission will conduct special meetings in January 2016. Please remain engaged in this process. Visit the website at dunphypark.org to stay informed.

These events are so successful due to the support and participation of our greater community. If you would like to teach a class please contact Jeff Dybdal at Sausalito Parks and Recreation. If you would like to volunteer for an event, please contact Julie Myers our event supervisor who plans and produces our events and if you want general information about our programs or facilities please contact Anita Cheng and she will happily help you.

Your Parks and Recreation Commission meets the 3rd Wednesday of each month at 6:30pm in the Edgewater Room at City Hall, 420 Litho Street. The Commission meetings are open to all. Please note that to add items to the agenda one must go through the Sausalito Parks and Recreation Department Office at **415-289-4152** prior to the meeting. Your attendance and participation is always welcome.

Have a healthy and happy holiday season!

Respectfully Submitted,
 Doreen Gounard
 Sausalito Parks and Recreation Commission Chair

Want to Get Involved?

The Sausalito Parks & Recreation Department strives to provide quality programs to Sausalito and its community that enhance growth, expression, and recreation through people, parks, and programs.

WOULD YOU LIKE TO MEET NEW PEOPLE? GET TO KNOW NEW FRIENDS AND NEIGHBORS?

Whether you've just moved here or are a longtime resident, an exciting and fun way to meet the people in your community is to volunteer for the Sausalito Parks & Recreation Department. We're already busy planning the next Breakfast with Santa, Easter Egg Hunt, Haunted House, and Caledonia Street Festival. So, you can tell we need volunteer help with all of these events throughout the season. If you want to help drive these events and participate on a different level, how about joining a committee for a specific event? The time commitments usually require several pre-event meetings and event day participation. The reward is supporting our community and having fun while doing it! Did you know you can have this much fun without leaving town? Call the Recreation Department at **289-4152** and let us know how you'd like to help.

Help Sausalito Win the “Coolest City” Title

Climate change has the potential to significantly affect Sausalito’s residents and businesses, as well as other communities around the world. Climate models predict warming, globally and regionally over the San Francisco Bay, over the next century. On June 15, 2015 in a step toward reducing greenhouse gas emissions and mitigating the potential impacts of climate change, the Sausalito City Council adopted and ratified the City’s first Climate Action Plan (CAP). The CAP was prepared by the Marin Climate & Energy Partnership in collaboration with the Sausalito Sustainability Commission.

The CAP compiles the actions, projects, and programs that the City’s government and the community can use to reduce its greenhouse gas emissions. Stay tuned for more news from the Sustainability Commission regarding easy steps residents and businesses alike can adopt. As a first step we are pleased to announce that Sausalito has joined the statewide “CoolCalifornia City Challenge”. The CoolCalifornia City Challenge is a community-based competition to cut carbon emissions. The competition runs from October 1, 2015 – March 31, 2016. Residents just need to sign up and track their energy use to start earning points for Sausalito. Small steps—like hanging clothes instead of using the dryer—can lead to big carbon reductions! Cities participating in the CoolCalifornia Challenges will receive prize money based on how many points they earn at the end of the contest. Sign up to join the Challenge today at www.mceCleanEnergy.org/CoolCalifornia and help Sausalito win the “Coolest City” title.

Willow Creek Academy Update

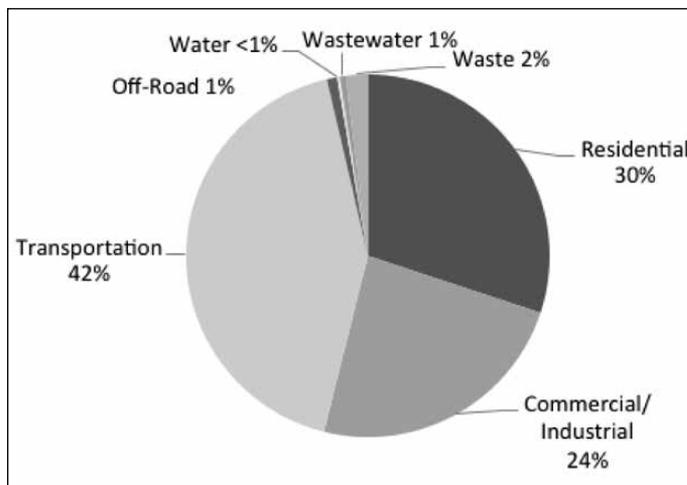

Thank you Sausalito for jumping in and making Willow Creek Academy so wonderful! We are thriving with 380 students and an incredibly supportive community of parents and volunteers. This year, we introduced an amazing lunch program with all organic, non-GMO food. And our excellent after school program is combining a lot of fun learning activities while still addressing the students homework and tutoring needs.

When parents and community members volunteer to tutor or help out in the garden or lunch room, the children thrive in a way most public schools only dream of. We still have a number of tutoring positions available. If you are interested in volunteering at Willow Creek Academy, please contact us and we would be happy to put you to work. Contact the main office and they will be able to give you the details. **415-331-7530**.

Admission Tours are coming! If you have an interest in attending WCA or want to know more, please join us for one of our enrollment tours: Starting in the library . . . Tuesdays: January 12, February 23, March 8, April 5, May 10 from 8:30am-9:30am. We will also have an Enrollment Open House on Thursday, February 25, 6pm-7pm. Please call the school to RSVP for any of these tours.

Again, Sausalito residents, thank you for supporting Willow Creek Academy! We look forward to another wonderful year with you.

Sausalito's Three Sister Cities

Sausalito is honored to have vibrant “sister city” relationships with three wonderful cities on three separate continents: Viña Del Mar, Chile; Sakaide, Japan and Cascais, Portugal. The purpose and mission of each program is to promote a cross-cultural and economic exchange between the two cities. One 501(c)(3) organization oversees the “councils” from each program, but each relationship has developed a unique identity. All three have forged strong bonds between the residents of their respective “sisters”.

To honor our three sister cities, in July of this year, flags representing each of the three countries were raised during a ceremony at City Hall. Flag poles will eventually be permanently installed in the plaza outside of the Litho Street entrance to City Hall.

For more information about our program

Visit www.sausalitosistercities.org or the Sausalito Sister City Facebook page.

SAKAIDE, JAPAN

Sakaide has been our “sister” since 1988, when a group of city leaders from both continents envisioned bringing our communities together. At that time, the Seto-Ohashi Bridge, a 16-mile colossus connecting several islands in the Seto Inland Sea in Japan, had just been completed. One end of this magnificent bridge terminated at Sakaide. Our sister city connection stemmed from the Japanese bridge engineer’s visit to Sausalito to study the Golden Gate Bridge, which they then replicated in Japan. The engineers and city dignitaries from Sakaide found a common bond with Sausalito, which like Sakaide, is a waterfront community at the base of a world-renowned bridge.

Since then, every other year, high school students from Sakaide come here, or students from Sausalito Marin County travel to their “sister city” for a ten-day cultural exchange. Over the years the two communities have crafted programs that we believe tear down barriers, build meaningful and lasting relationships, and help the students learn about living and working together successfully.

In May of this year, we held our annual “Full Moon Blossom Festival”, an enchanting evening of Japanese culture including taiko drum demonstrations, Japanese dancing, delectable food provided by Yoshi Tome of Sushi Ran, sake tasting and an astounding raffle.

All of the proceeds from this successful event go toward scholarships for sending students to Japan, as well as for programming when students come here. This summer, we are thrilled that 13 students from Marin had the opportunity to travel to Sakaide for the ten-day exchange. We’ll give you a full report of their adventures in an upcoming edition.

VIÑA DEL MAR, CHILE

In 1960, we formed our first bond with Viña Del Mar, Chile. At that time, Sausalito’s main square was re-named Viña del Mar Plaza. Viña del Mar in return, named its soccer stadium Estadio Sausalito. The huge stadium is adjacent to Parque Sausalito, in the neighborhood called Sausalito. In 1968, Chilean sculptor and Viña native, Sergio Castillo, donated a sculpture to Sausalito called “Hermanadad”, or “sisterhood”. It was recently refurbished and remains today in Gabrielson Park along the Sausalito waterfront.

Back in March of this year, the Viña Sister City committee held a very successful fund raiser, **007 Fashion**. Local “celebrities” modeled fashions from Sausalito boutiques, including Gene Hiller Menswear, GrDano, Lisa Lebow and Barcelino. Guests were treated to champagne, martinis and an amazing array of foods donated by local restaurants.

In April, our team was invited to participate in the 24th Annual Chilean Cultural Festival in San Francisco. Amidst the music, dancing and eating, we had a table with photos and information about our program and were pleased to support this very lively Bay Area Chilean community.

At the Flag Installation Ceremony held in July, our committee honored Rolando Ortega, the Chilean General Consul, who has served in this capacity in San Francisco for the past five years. Sr. Ortega is returning to Santiago but promises to remain in contact with our group. He has been a strong supporter and friend to our committee and will be sorely missed.

In October, a group of 10–12 delegates from Sausalito will travel to Viña del Mar, Chile. The visit coincides with the 15th anniversary of AGEPE (Asociacion Gremial de Empresarias y Profesionales, or Association of Women Business Owners and Professionals).

For the past four years, our committee has partnered with AGEPE to build an Entrepreneurial Women in Business Exchange program. Over the years, we have developed workshops both here and in Viña around business strategy, marketing, customer relationship and business expansion. Our team has learned from AGEPE members and we believe that they have learned from our commitment and business knowledge as well. This October, we will continue our business curriculum and hold workshops focusing on marketing, leadership, financial understanding and business planning.

We look forward to reporting on our journey to Chile in an upcoming edition of Sausalito Magazine.

CASCAIS, PORTUGAL

Our town has a long and rich Portuguese heritage. In recognition of that heritage, in 2013 we welcomed our newest “sister” Cascais, located on the coast of Portugal, just outside of Lisbon. Like Sausalito, Cascais’ roots are in fishing, boat building and sailing.

The mainstay of the Cascais program is our Youth Sailing Exchange Program. In July, the Sausalito Yacht Club will have hosted students from Portugal who will have sailing experiences and will have competed in the Mayor’s Cup Regatta. We’ll provide a full report in an upcoming edition of Sausalito Magazine.

Portuguese officials from FLAD (Foundation for Luso-American Development) met with Sausalito-Cascais Sister City representatives and civic leaders to learn more about Sausalito’s many efforts to promote Portuguese art and culture which FLAD supports throughout the U.S. Pictured left to right: Jim Meyer & Cheryl Popp (Cascais Sister City co-chairs), Dr. Vasco Rato, (President of FLAD), Sausalito Mayor Tom Theodoros Miguel Luz (FLAD Director) & Vasco Morais (Cascais Sister City Committee).

Beautification Day — October 10, 2015

What a difference a half day can make! Over 40 enthusiastic volunteers, including numerous civic leaders gathered at Vina del Mar Plaza in downtown Sausalito on Saturday morning in October to tackle gardening tasks in this landmark plaza. Armed with clippers and garden gloves they weeded, trimmed, raked and spread compost in the area — all of which will help revive and preserve this lovely public landscape. The next Sausalito Beautiful Beautification Day will be in spring. If you are interested in participating you may sign up online www.sausalitobeaautiful.org and the project chairs, Chris Ryan and Monica Towers, will contact you with more information.

SAUSALITO BEAUTIFUL COMMUNITY GROUP POISED TO ENHANCE PUBLIC LANDSCAPE

Earlier this year, local community leaders announced the formation of a new organization called Sausalito Beautiful. The group, which has been heartily endorsed by the City of Sausalito, is now officially launched and several beautification projects have already been completed; others are underway.

Sausalito Beautiful's mission is to “create, enhance and protect public landscapes”. The non-profit group intends to do so by collaborating with the City of Sausalito, local businesses, other community organizations and residents to ensure sustainable landscapes that not only look lovely, but also enhance livability and make for attractive business and retail corridors. A Sausalito Beautiful “Green Thumb” brigade of volunteers will tackle clean-up and improvement projects on public land, including a series of Beautification Days in which the community is encouraged to participate.

The organization was developed by Shelby Van Meter a long time Sausalito resident. In addition to Ms. Van Meter, the founding members of the board of directors are: Janet Chapman, Lauren Gertz, Peter Kavanagh, Fay Mark, Carolyn Revelle, Tom Wilhite and Millie Zinman, An Advisory Council, which provides a forum for professional advice and goodwill ambassadorship, includes members Ann Elston, Lee Follett, Stanford Hughes, Cheryl Popp, Michael Rex, Dennis Scremin and John Wong.

To learn more about the organization and its beautification projects, as well as how to donate and get involved, visit the group's website at www.sausalitobeaautiful.org.

THE POLICE DEPARTMENT NEEDS YOU

The Sausalito Police Department is fortunate to have two successful programs as part of their partnership with the Sausalito community. The two programs are the Volunteers in Public Safety (VIPS) and Citizen's Police Academy.

The Sausalito Police Department requires the assistance of the citizens to help keep the community safe and the VIPS help fill this role. The VIPS, which started in 2002 and is a 501(c)(3) non-profit organization, is a group of 24 dedicated volunteers and an integral part of the daily operations of the Police Department. Depending on the individual member's skill set, the VIPS are involved in activities that range from tasks in the field to working in the office. The VIPS become the eyes and ears of the department regarding incidents needing law enforcement attention. Every task performed by the VIPS is an important part of keeping the Police Department running smoothly. Due to the hundreds of volunteer hours performed by the VIPS, the Police Department is able to increase the scope and type of services offered to the community.

The VIPS are a very visible part of this community. Using distinctly marked VIPS vehicles, they perform vacation house checks and neighborhood patrols. They work traffic and crowd control at many of the City sponsored special events including parades and community gatherings. You might see a member of the VIPS at the front counter of the Police Department greeting the public. These are just a few examples from a long list of duties that the VIPS are responsible for and oversee on a monthly basis.

A prerequisite to becoming a member of the VIPS is to participate in and complete the 8-week Citizen's Police Academy hosted by the Police Department. The objective of the Citizen's Police Academy is to inform

citizens about the various facets of the Police Department. The citizens and police officers have the opportunity to meet each other in an inviting and friendly setting. Instead of just seeing a uniform, they have an understanding of the people behind the badge. To the average citizen, it may appear at times that the police are not doing their job or are exceeding their boundaries. By allowing citizens a firsthand look at what rules, regulations, and policies that the police follow, some of the misunderstandings may be alleviated.

The Citizen's Police Academy classes focus on a host of topics including: policing goals, use of force issues, drug recognition, DUI investigation, ethics, officer safety, laws of arrest, and many other topics. One of the classes is held at the fire station where the Southern Marin Fire Department staff provides a tour of their building and equipment while offering a question and answer period about the services. The City Manager and the Police Chief will also spend time discussing different topics involving the city and public safety issues. All of the academy class participants are given the opportunity to go on two ride-alongs, one during the day and one at night.

"The Citizen's Police Academy is an important way to strengthen the partnership between the community and the police for our shared public safety goals" — Scott Paulin, Chief of Police. The Police Department has gained some very dear friends through contacts made in the Citizen's Police Academy and the Volunteers in Public Safety.

Anyone who might be interested in becoming more involved with the Sausalito Police Department should be encouraged to contact Sergeant Stacie Gregory at **415-289-4188** or sgregory@ci.sausalito.ca.us

SHS SCHOOLS PROGRAM

In 2010, the Sausalito Historical Society (SHS) piloted a program exploring Sausalito history for third grade students at Willow Creek Academy and Bayside/MLK Academy. Now in its sixth successful year, this annual educational program endorsed by teachers, parents and students alike, has grown from 45 to 80 students and from one curriculum unit to three. More than 350 students have gone through the program since its inception.

Every year, Historical Society docents work with Sausalito teachers to deliver the local history curriculum, including field trips and classroom presentations, to students in the Sausalito Marin City schools. In 2016, all third grade students will get the chance to visit and research the town's first buildings, learn about the people who shaped the history of Sausalito and explore the unexpected role Sausalito played in building WWII Libertyships.

For more information, please visit our website, info@sausalitohistoricalsociety.org and click on the Schools Program.

The Sausalito Historical Society (SHS)

We are a group of friends, neighbors, colleagues, local merchants, scholars, writers, artists, historians, history buffs and enthusiasts who've been keeping Sausalito's past alive since 1975. The SHS is an entirely volunteer 501(c)(3) non-profit organization that collects and preserves art, artifacts, photographs and printed materials that document Sausalito's history. We provide access to the collection for public and academic research and develop publications and outreach programs to inspire local interest in Sausalito's history. As a result, we are able to educate the visiting public and to enrich the community. Annual membership dues, donations, and funds raised are used for new acquisitions, maintenance of the collection and public outreach through exhibits and publications.

UPDATED WEBSITE

In October, the Sausalito Historical Society updated its web site www.sausalitohistoricalsociety.com. SHS Board Member Bob Woodrum said, "the old site was launched in 2010 and like all web sites it was time to upgrade". The new site has the same look and feel as the old site, but it is now much more user friendly and integrates a lot of functionality that the old site did not have. You can now "search" the site for key words, phrases, people and places. The right navigation bar has been consolidated and is now better organized, making it easier to use.

New departments include Historic Images, a Virtual Exhibit about Sausalito Boatyards, A bulletin board showing upcoming events sponsored by the Historical Society and other area historical groups. The Gift Shop has been expanded to offer more unique Sausalito items. Sections have been added to feature the Ice House Museum, the Marinship Exhibit and the SHS Schools Programs. The Exhibits, Marin Scope Articles and the Newsletter departments have all been updated making them easier to use. There is also a page to pay your annual membership dues as well as make a donation to the Sausalito Historical Society.

"We are very excited about our new web site and we hope not only the citizens of Sausalito, but anyone interested in the History of our town visit the site" stated SHS President Jerry Taylor. The new web site's url remains the same: www.sausalitohistoricalsociety.com Let us know what you think of it and any ideas or suggests you may have to improve it.

HISTORICAL SOCIETY CELEBRATES 40th BIRTHDAY

The Sausalito Historical Society celebrated its 40th birthday with a reception for benefactors, patrons, lifetime members and community contributors who have kept our collective history alive. The event was hosted by Roxanne Sheridan and Gil Purcell at The Pines, their historic home in the Sausalito Hills.

In addition to the birthday celebration, the Historical Society presented its annual Volunteer of the Year Award to longtime board member and docent Robin Sweeny.

IN THE MARINSCOPE

It all started with a conversation between Paul Anderson and Susan Frank. “ Susan do you think that the Sausalito Historical Society could write a weekly column for the Marinscope about the, people and places of Sausalito?” The rest, they say, is history. Each week the Society publishes a column in the Scope. Articles cover the rich history of Sausalito and are written by local Society members including Larry Clinton, Steefenie Wicks, Annie Sutter, Billie Anderson and more. Articles going back to 2011 can also be found on our web site, www.sausalitohistoricalsociety.com.

LETTER FROM THE PRESIDENT

For several months, members of your SHS Board of Directors and friends have actively reinvigorating the dream of an attractive and more functional Ice House Plaza to the north side of our beloved Ice House. Many of you know the story: The Historical Society created an exhibit in the Village Fair as part of Sausalito's Centennial Celebration in 1993. The exhibit proved to be so popular, that when a former Ice House building at Johnson and Caledonia became available, it was purchased for \$1, and through the leadership of Phil Frank, the Historical Society raised money to move the building downtown, and repurposed as a permanent Visitor Center and Museum of Sausalito history in 1999.

The Ice House Plaza project was conceived in 2009 by the City, SHS, the Sausalito Foundation, and the Sausalito Art Festival Foundation to create a new public plaza in our historic downtown. The new Ice House Plaza will allow 24/7 access to interpretive signs, artifacts, maps and interactive exhibits that extend the Museum's reach well beyond the finite capacity and fixed hours of operation of the small Ice House building. The Plaza will also serve as an outdoor classroom for the SHS's acclaimed local history curricula for Sausalito Marin City School District students, and a venue for docent lectures, historical enactments, historic walking tours, special event and observing Sausalito artists practicing their "plein air" craft.

The outdoor Museum expansion will include a variety of visual, tactile, and auditory features that invite exploration. For example, artifacts will be incorporated into the walls and landscape. Imbedded train rails will provide a figurative base for horizontal benches that evoke the site's former railroad tracks. Interpretive signs will connect visitors to the historic sites around them.

We continue to meet with Sausalito landscape architects and exhibit designers, we have secured significant "in-kind" donations, and over \$30,000 in funds raised by the Sausalito Foundation are committed to this project. In partnership with the City, we have applied to the California Cultural and Historical Endowment Program for \$150,000 in matching funds to build the Plaza.

As I write these words, we are actively engaged in discussions with Sausalito civic organizations to take leadership roles in helping underwrite the cost of this project for the people of Sausalito.

We will be writing Ice House Plaza updates along with our weekly column in the Marin Scope, and posting information and updates on our improved website: www.sausalitohistoricalsociety.org

I urge you to join our efforts to make the Ice House Plaza a reality, a tangible example of what Sausalito means to you and your family.

Jerry Taylor
President, Sausalito Historical Society

THE ANCHOR-OUTS OF RICHARDSON'S BAY (1989, 24 minutes)

7pm inside the Library

Sausalito Documentary Film Series

This year's documentary series begins with screenings of two films about Sausalito's anchor-out community. *Ale Ekstrom's Boat House* is a 2013 short made for KQED News by Noam Eshel and Sam Harnett. The film is a moving tribute to the live-aboard who was the community's longest resident until he passed away in 2015. *The Anchor-Outs of Richardson's Bay* is a 1989 documentary by Tracey Ruiz that originally aired on the Marin Community Programming Channel. Though made over twenty-five years ago, the film reminds us that the more things have changed on the anchorage over the years, the more they stay the same. A younger Ale Ekstrom also makes an appearance. Eshel, Harnett and Ruiz will be on hand to answer questions after the screenings, and there will be time for members of the audience to share reflections on Ale and the anchor-out community.

THE FEDERAL RESERVE AND THE U.S. ECONOMY IN 2016

7pm in the Council Chambers

Sausalito Library Speaker Series

Sausalito resident Joe Caldwell, publisher of *The Fed Journal*, will be back at the Library to give an update on the workings of the Federal Reserve, interest rates, and the U.S. economy. Joe's presentation on the Fed in January 2015 (*The Five Most Powerful People in the World*) was so interesting and well attended that we have asked him back to bring us up to speed in 2016. Is inflation poised to rise or are we trapped in a deflationary spiral? What conditions are likely to lead the Fed to raise interest rates and at what pace? What effect will rising interest rates have on the economy and individual investments? Joe has published *The Fed Journal* for more than a decade. Having read and digested every speech given by the five Governors of the Federal Reserve, he is qualified to talk about how they wage war to keep our financial futures healthy. Mr. Caldwell holds the Chartered Financial Analyst designation and has more than two decades experience in investment consulting.

We'll be showing the beautiful 2015 remastered version released by the Criterion Collection. *Druid Heights* is a new film by Marcy Mendelson that tells the story of Alan Watts' wilderness retreat on the slopes of Mount Tamalpais. *Druid Heights* was a wild and wooly place where sex, drugs and philosophy thrived among the eucalyptus trees. PIERRE BONNARD: PAINTING ARCADIA

Sausalito Library Docent Series

Pierre Bonnard is one of the defining figures of modernism in the transitional period between Impressionism and abstraction. Coming to us from the Musee d'Orsay in Paris, this is the first major international presentation of Bonnard's work to be mounted on the West Coast in half a century. It represents all of his creative periods and features more than 60 works that span the artist's complete career, from early Nabi style masterpieces, through his experimental photography, to the late interior scenes for which he is best known. This program is sponsored by the Friends of the Library and coincides with the Legion of Honor exhibit that runs from Feb. 6, 2016 to May 15, 2016.

Sausalito Library Foundation

The Sausalito Library Foundation is proud to have co-funded the revitalization of the Sausalito Library and we're pleased to see how the community has embraced the change. The number of children who use the Library continues to climb as our youngest residents enjoy the revamped area for kids and their caretakers. And in the living room area, new shelving and furnishings that welcome browsers and borrowers during regular hours are mobile. Reconfigured, the Library is now a gathering place for the community to enjoy after-hours programs such as the successful Sausalito People Series.

The Foundation provides long-term support for the Sausalito Public Library. Donations and bequests from the community are used to maintain a revenue source to fund technology, special programs, and capital improvements. We work to ensure that our Library remains an essential community resource now and in the future. In light of remarkable shifts in technology and the delivery of information, the Foundation will help the Sausalito Library evolve and adapt so that the Library's physical space and planned programs meet ever-changing needs.

Our thanks go out to the many individuals and organizations whose generous contributions have helped build our financial resources. Income from and appreciation of these gifts have helped the Foundation Fund grow. With this growth, we're helping to safeguard our Library's future.

FOUNDATION INFORMATION

For more information about the Library Foundation, please write to 420 Litho Street, Sausalito 94965. Email messages may be directed to jo.gold@comcast.net.

HOW YOUR DONATIONS SUPPORT THE LIBRARY

Sausalito Library Foundation: The Foundation uses donations from individuals, organizations, and businesses to establish a long-term revenue source that supports the Library through special programs and projects.

FRIENDS OF THE LIBRARY

The Friends' primary source of income is the Friends Bookstore on the top floor of City Hall. Your book donations and volunteer time help the Friends support short-term projects at the Library and pay for items on the Library's wish list.

PLEASE NOTE: The Foundation and the Friends of the Library are separate organizations, both 501(c)(3) nonprofits, that complement one another and collaborate to meet our Library's needs beyond the capabilities of city funding. Neither the Friends of the Library nor the Sausalito Library Foundation contributions are meant to supplant our publicly funded Library budget.

Age Friendly Sausalito a Leader for an Age Friendly Marin

Sausalito was the first City in the County and only the third in the State to become a member of the World Health Organization's (WHO) Global Network of Age Friendly Cities and Communities. This came about because the City Council responded unanimously to a request from a group of community elders to create a City Age Friendly Task Force. A letter of commitment from the Mayor accompanied the proposal to WHO to participate in this world wide exchange of ideas about creating a more age friendly environment, and the Task Force, made up of many community volunteers, went to work on developing an Age Friendly strategic plan for our City. The work we are doing here has inspired the whole County. This past year, Fairfax and Corte Madera also became members of the WHO Network. And we have been able to help them, and other communities get started on this valuable community activity.

Sausalito's Age Friendly programs have demonstrated the value of the Age Friendly movement in the County. Our successful CARSS program (Call A Ride for Sausalito Seniors) has been very popular providing free rides around town to any and all older residents including the residents of our floating home community. The City's Age Friendly Task Force has partnered with a wide range of Civic Groups and individual volunteers to create ever more Age Friendly programs as well as activities and presentations. We are always looking for more ways to make our City more all-age-friendly. In addition to working on the strategic plan to be approved by the City and submitted to WHO to share with communities around the world, Some of the current activities include providing workshops and programs of particular interest to seniors including exploring affordable alternatives in housing, expanding the CARSS free rides program, working with the City to restructure and simplify City's policies and permits for adaptive home modifications for seniors and persons with disabilities, and helping The City consider how our Parks can be more all-age friendly. The Task Force invites interested community members, who would like to help us to please get in touch. We are looking forward to

working with the City on the ADA Transition Plan, Circulation Element, and more. Age Friendly Sausalito is a community-wide all-inclusive effort.

Age Friendly Sausalito Task Force members attend a newly formed Age Friendly Marin support group, which meets prior to the monthly Marin Commission on Aging meetings. Cities who have received the WHO Age Friendly designation, or are starting to work on it, meet to share best practices along the way.

The County of Marin's Department of Aging and Adult Services is very supportive of the Age Friendly Movement and is working hard to address the realities of the County's Longevity Boom. They recently released the following important announcement:

"Older adults are the fastest growing age group in Marin County. Today one in four Marin residents is over age 60, and that number is estimated to rise to one in three by 2030. On average, Marin residents enjoy a life expectancy that ranks among the top five of all counties in the United States. The County of Marin recognizes the growing needs of seniors and assigns it a high priority. With a growing older adult population living longer lives, more questions are being asked about appropriate community-based resources. By reorganizing..., we now have more HHS professional resource staff members available to speak directly to those calling 415-457-INFO during business hours. Callers can receive information about a full range of local public, nonprofit and private social services and related resources. The professional resource workers can help a caller explore options and identify individual needs and circumstances." Information can also be found online at livelonglivewellmarin.org. Watch for the City's Age Friendly notices on the Sausalito Currents, and contact Age Friendly Sausalito's Task Force by email at agefriendlysausalito@gmail.com, or drop off a note for us at the Parks and Recreation Department, and look us up at Age Friendly Sausalito on FaceBook.

Sausalito Village

Sausalito Village is dedicated to enhancing the ability of our members to live independently, remaining active and integral to our community as we age. Sausalito Village is a California nonprofit 501(c)(3) organization operated by a volunteer board of directors. Visit our website at www.sausalitovillage.org.

A key element of membership in Sausalito Village is a dedicated telephone number that you can call to request assistance and referrals to the types of services and support you require. We call this our Concierge Service. Most of our referrals are to a dedicated team of more than 65 direct service volunteers, all of whom have been thoroughly vetted and passed a background check. These volunteers are available to help with transportation, take a member grocery shopping, pick up prescriptions, run an occasional errand, assist with computers and other electronic equipment, and make friendly home visits or daily or weekly phone checks. At the request of a member, trained volunteers will do a safety assessment of the member's home, make recommendations for modifications that can be taken to reduce risks, and refer the member to volunteer and/or paid service providers to accomplish these modifications. A health care advocacy group, consisting of volunteers with experience in some area of the health care field, will assist members in navigating their way through the increasingly complicated health care system to ensure that their individual needs are identified and appropriately addressed.

When the type of assistance needed by a member goes beyond what a volunteer can reasonably offer and requires the help of a paid professional, referrals will be made to service providers whose qualifications and references have been thoroughly checked or who are personally recommended by Sausalito Village members.

In addition to the Concierge Service, membership opens up the opportunity to become part of a vibrant community of people who share in many social, cultural, and recreational events. Sausalito Village organizes and provides transportation to many cultural programs and events in the San Francisco Bay Area. There are also monthly member get-togethers, monthly meetings with guest speakers, a chair yoga class, a memoir group, a weekly bocce game, a book group, a monthly singalong, volunteer recognition events, holiday celebrations, and numerous other activities.

Members of the Sausalito Village Board of Directors are Tricia Smith (President), Betsy Stroman (Vice President), Judy Haslam (Secretary), Teddie Hathaway (Treasurer), Charlie Arenson, Alice May, Felicity Kirsch, Linda Sempliner, Rick Seymour, Stella Shao, Jackie Kudler, Annie Dorsey, Charles Kaufman and Carolyn Zaroff. For more information contact us at info@sausalitovillage.org or at 415-332-3325.

Sausalito Village Made Simple

WHAT is Sausalito Village? Sausalito Village is a volunteer, non-profit organization dedicated to helping Sausalito residents stay engaged in their community and age comfortably in their homes.

HOW does the Village work? Although the heart of the Village is its volunteers and members, the Village Concierge is at the hub. One phone call to the Concierge links members to vetted and member-referred businesses, health care advocates, a volunteer for a ride to a medical appointment, and to answer questions. A full calendar of activities, events and day trips keep members active and connected. Many local merchants offer Sausalito Village members discounts.

WHO can be a MEMBER? Anyone who lives in Sausalito and the Floating Homes can be a member, although most members are 55 and older. Everyone can be a supporter.

Is there a COST? Membership is \$200 for a one or two person household. A limited number of reduced or full fee waivers are available for residents interested in joining but unable to afford the annual fee.

WHO can be a VOLUNTEER? Anyone can be a volunteer! The Village runs on volunteers and there is always a place for YOU.

WHAT are the VOLUNTEER OPPORTUNITIES? There are many ways to volunteer depending on your interests, skills and availability. Volunteers are needed to provide direct service such as driving, electronic technical assistance, leading a class, or 'behind the scenes' in helping to keep the Village non-profit running.

WE HOPE TO HEAR FROM YOU!!

Capoeira

Capoeira is an Afro-Brazilian martial art form that incorporates acrobatics, dance, percussion, and songs in a rhythmic dialogue of body, mind, and spirit. It is a communal game in which two players play each other inside a circle, formed by the other players who create rhythm for the game by clapping, singing and playing traditional instruments. The two 'capoeiristas' play a game together using capoeira movements, camouflaging self-defense kicks with playful acrobatics and dance-like moves, spontaneously creating a strategy to fool the other player and perhaps catch them off guard. At the same time, the two players work together to build a beautiful, harmonic and naturally-flowing game. For videos and photos, please go to www.abada.org.

To Be, Or Not To Be . . . Gluten Free

Have you been wondering about going gluten-free? Did you know that Time Magazine labeled a gluten-free diet as #2 of its top ten food trends? Is it just another food fad or does going gluten-free have some real health benefits? Why are so many people claiming to feel better on a gluten-free diet even though they do not have celiac disease? Gluten-free products are, on average, a whopping 242% more expensive than their gluten-containing counterparts! Is all of that extra expense even necessary?!

If you have been asking these questions and want a no nonsense, scientifically grounded discussion on the pros and cons behind a gluten-free diet, then come join us for an informational night on a very hotly debated topic in nutrition. Get the scoop on gluten, what it is (and isn't), why so many people are trying to avoid it, and why some of the sensational health benefits of a gluten-free diet may not have anything to do with gluten!

All teams must have: at least two players present per game, a minimum team roster of four players, and a maximum of eight. Regular season play is scheduled for seven games with all teams from each division advancing to an exciting double-elimination playoff to determine the finalists who will compete in the league championship, the 'SuperRoll'. With a full thirty-two team league, there are nine guaranteed games in all for each team, more for teams that win in the playoffs.

Fewer teams registered will result in fewer games for all teams. Saturday and Sunday mornings are reserved for make-up games due to weather cancellations.
