

## **2016 PBAC Potential Goals**

- 1) Pedestrian safety on Bridgeway from San Carlos to Napa and Caledonia Street
- 2) North South Greenway short term improvements & long term planning and community engagement
- 3) Encouraging local businesses to provide bicycle parking where appropriate and space allows.
- 4) Creating a set of do's and don'ts for local recreational cyclists and tourists.
- 5) Improve ferry landing congestion by increasing ferry capacity. Engage with ferry service providers
- 6) Improve downtown bike congestion by pursuing and introducing alternative bike return options (bike staging, shuttles, etc...)
- 7) Improve pedestrian experience and safety through traffic law enforcement, signage, and new crosswalks
- 8) Improve Bike Ambassador operations with increased staff, unified operations, and increased funding from rental companies and visitors
- 9) Improve community communications and awareness of PBAC activities.
- 10) Work with ferry co. to facilitate bikers/tourist and avoid long waits.
- 11) Investigate smaller companies who can ferry passengers from other locations.
- 12) Investigate Ft. Baker as possible staging area.
- 13) Facilitate the Ambassador program so that it can continue and expand.
- 14) Work with Bike companies for increased participation and donations.
- 15) Request more involvement with Sausalito Police
