<i>Council liaison: To be determined</i>				

Length of Term: 3 years

Meets: On an as-needed basis

Requirements: Must be a resident of Sausalito; it is desirable that at least one member of this Committee be a landscape architect.

Purpose: The purpose of this Committee is to consider applications regarding tree issues. The Committee also encourages and promotes the planting and proper husbandry of trees throughout the city and encourages the maintenance of trees that unduly diminish desirable views as well as the planting and maintenance of certain species.

NOTE: *Any contact information not provided has been withheld at the members' request.*
