- THESE PHOTOS WERE TAKEN OVER A 10-DAY PERIOD, 2 OR 3 PER DAY, FOR 10 DAYS, AT DIFFERENT TIMES OF THE DAY AND NIGHT.

- THE TENANT WAS IN RESIDENCE AT THAT TIME, AS SHOWN BY LIGHTS, AND OPEN GARAGE DOOR, AND DOOR TO LET THE DOG OUT.

- THEY NEVER OPEN THE SHADES ON THE WEST SIDE OF THE BUILDING (FACING ME), OR ON THE CORNER SOUTHWEST (THE WINDOWS ROBERT HAS AN ISSUE WITH.) THEY VERY RARELY OPEN ANY SOUTH-FACING SHADES.

- THESE WINDOWS ARE RIGHT ON THE DRIVEWAY, SO THAT IS WHY THEY KEEP THE SHADES CLOSED.

- NO TENANT HAS EVER KEPT THOSE SHADES OPEN; CARS IN THE DRIVEWAY COULD SEE IN. IT IS THE CARS DRIVING BY THAT ARE THE PRIVACY ISSUE.
