

ATTENTION PARK USERS

As you may have heard, the City of Sausalito is planning to do some work to Robin Sweeny Park in front of City Hall. This work is necessary to bring the playground up to the new safety standards and to make the area ADA accessible.

The City has retained professional Park and Playground Designer and Landscape Architect Vince Lattanzio from Carducci and Associates to facilitate this process.

As a user of Robin Sweeny Park we want to hear from you! We have scheduled a series of meetings with residents and business owners such as yourself. I hope that you can join us at City Hall on one of the times listed below:

Tuesday March 15, 2011, Council Chambers

Seniors	4:30 pm
Local Businesses	5:30 pm
Nursery School Parents	6:30 pm
Elementary School Parents	7:30 pm
Local Residents	8:30 pm

Thursday March 31, 2011, Edgewater Room

All Residents and Businesses 6:30 pm

While it is not necessary to make a reservation or appointment, it would help us greatly if you were able to let us know you would be attending one of the meetings. Please contact us at 289-4152. Thank you in advance for your interest and contribution.
