

PBAC Requests of Council

1. Re-install and increase bike loops in downtown Sausalito-cover loops with a 'cozy' sign during peak visitor hours
2. Revise current bike parking ordinance to allow Sausalito residents to conveniently park bikes during off-peak hours
3. Enforce bike parking ordinance in 2016 with dedicated and self-funded staff; citations aimed at bike owners vs renters
4. Organize, and improve signage, of free bike parking north of downtown
5. Consolidate Ambassador program with bike ferry queuing program to improve coordination and efficiency
6. Reduce bike congestion by locating ticket kiosks that offer ferry tickets, boarding numbers and Valet parking in one place
7. Institute a \$2 Peak Time Bike Queuing fee to fund improvements that reduce congestion and improve services
8. Include performance guarantees in ferry lease negotiations (with recourse) to ensure adequate ferry service
9. Direct Ambassadors to collect improved daily information re: ferry service including delays and numbers of bike boarded
10. Engage Park Service asking for a timeline for the re-opening of Vista Point Trail to improve safety and facilitate bike staging
