

GATE 5 ROAD SEWER REPLACEMENT PROJECT

NOTICE IS HEREBY GIVEN that the City of Sausalito will receive sealed bids for the award of the contract for the above designated project.

GENERAL DESCRIPTION OF WORK: Replacement of existing plastic lined 8-inch sanitary sewer with new 8-inch sanitary sewer; replacement of existing manholes; construction of new manholes, manhole rehabilitation, locating and replacement of existing lower sewer laterals and installation of cleanouts; construction of shored excavations related to the work; traffic control; storm water pollution prevention; dewatering, testing, and water treatment; bypass pumping; soil/fill testing, hauling and disposal to Class 2 landfill; pavement repair, storm drain and catch basin replacement; grading and other miscellaneous work needed to restore areas disturbed by the construction back to original condition.

The City has received pre-approval for disposal of excavated materials from this project at the Altamont Class 2 Landfill in Livermore for a tipping fee of \$18/ton. Redwood Landfill in Novato will not accept excavated materials from this project.

Bids due: Sealed bids shall be received at the Office of the City Clerk of the City of Sausalito at 420 Litho Street until **2:30 PM June 14, 2016**, at which time they will be publicly opened and read and which may be referred to the City Council for subsequent action.

PRE-BID MEETING: Time: **10:00 a.m., Wednesday, May 25, 2016**. Location: City of Sausalito Conference Room, 420 Litho Street, Sausalito, CA 94965. Submit all questions in writing to Andrew Davidson at adavidson@ci.sausalito.ca.us.

BIDDERS' REQUIREMENTS: Bidders shall read and review the Bid Documents, including the full Notice Inviting Bids, Specification Section 00010, carefully and shall familiarize themselves thoroughly with all requirements. Each Bid must conform and be responsive to the invitation, the Plans and Specifications, and all documents comprising the pertinent Contract Documents. Each Bid shall be presented under sealed cover and shall be accompanied by a certified check, cashier's check, cash or bidder's bond, made payable to the City, in an amount not less than ten (10) percent of the Bid. The said check shall be given as a guarantee that the Bidder will execute the Contract in conformity with the form of agreement contained within the Contract Documents, and will furnish bonds and insurance policies as specified within ten (10) days after notification of the award of the Contract to the successful Bidder. Any Bid not accompanied by a Bid Security may be rejected.

Copies of Contract Documents are available for public inspection at the City of Sausalito, where they may be obtained for a non-refundable \$50.00 charge. Contract Documents will be mailed for an additional charge of \$10.00 per set. Plans will be released as full sets only, no partial sets will be provided. Digital copies of the plans and specifications will be available on the City website at <http://www.ci.sausalito.ca.us/index.aspx?page=2057>.

Bids will only be accepted from a contractor who is licensed in accordance with the provisions of Chapter 9, Division III of the California Business and Professions Code (BPC). The license required to perform this project is a **CLASS "A" (GENERAL ENGINEERING)**.

ENGINEER'S ESTIMATE: The Engineer's estimate of construction costs for the Base Bid plus Additive Alternative Item 2 project is \$3,382,000.

If award is made, the award of the Contract will be based on the responsible Bidder whose Base Bid plus Additive Alternative Item 2 as listed in Section 00300, **BID FORM** yields the lowest total Contract price.
