The City of Sausalito will be hosting their 7th Annual Disaster Preparedness Awareness Day for the public on Saturday, October 8, 2016 from 9:00 AM to 2:00 PM. This free event is being held in conjunction with the City of Sausalito’s Annual Yard Sale at the MLK Properties at 610 Coloma St.

The Disaster Preparedness Awareness Day event is being conducted by the City of Sausalito’s Disaster Preparedness Committee along with the Sausalito Police Department, Southern Marin Fire Protection District, and several other organizations such as the Sausalito Volunteers in Public Safety (VIPS), and the Southern Marin Citizen Emergency Response Team (CERT).

The goal of the Disaster Preparedness Awareness Day is to educate the public regarding the importance of preparing themselves, their families, and their communities to best handle disasters and emergencies that they may encounter. The public will also have the opportunity to learn what steps the City of Sausalito is taking in the realm of disaster preparedness and emergency management. Citizens will have the opportunity to speak with public safety professionals and view first hand emergency equipment from law enforcement, fire, and other organizations.
