Sausalito City Council Candidates' Statement

Following the news that Sam Ruben has withdrawn from the 2016 Sausalito City Council election, there remain only three candidates for the three open seats. In light of this, the three remaining candidates would like to communicate the following to the Sausalito community:

First, we would like to thank Sam Ruben for his contribution to this campaign and his dedicated involvement in our community. We wish him well and look forward to his continued service on our Sustainability Commission.

Second, we have agreed to suspend all further expenditures on our respective campaigns as of today. Some expenses have already been incurred in the design and printing of various campaign materials. Nevertheless, we have agreed not to mass mail any campaign materials to Sausalito voters as of today. We have also agreed that we will continue to display signs and attend events to which we have been invited. But, generally, we have agreed to suspend any further spending on our respective campaigns.

Finally we would like to thank each other and Sam for conducting an open, civil, and respectful campaign. We believe that this portends well for our working together constructively and collegially in the years ahead for all of Sausalito.

Sincerely,

Joe Burns, Joan Cox, Ray Withy
