SAUSALITO POLICE DEPARTMENT'S "COFFEE WITH A COP" EVENT IS A SUCCESS

On Friday, October 7, 2016, the Sausalito Police Department held a "Coffee with a Cop" event at Cibo, 1201 Bridgeway, from 9am to 11am. This event was part of the National Coffee with a Cop Day sponsored by the U.S. Department of Justice's Office of Community Oriented Policing Services. The goal of "Coffee with a Cop" is to break down barriers between police officers and citizens by creating an environment where open communication between officers and citizens is encouraged. These informal and personal conversations allow the citizens to ask officers questions, voice their concerns, and to get to know the officers better.

During this event, Sausalito Police Officers spoke to numerous citizens from a wide cross section of the community regarding numerous topics such as, but not limited to, the law enforcement profession, use of force in law enforcement, crime and quality of life issues in Sausalito, sports, the economy, and television shows. In addition to the citizens whom came to the event to sit down and have a conversation with the officers, several citizens stopped by to just say "Thank You" to the officers for their service to the community as well to offer their support towards the officers and the police department.

The Sausalito Police Department plans on holding additional "Coffee with a Cop" events in future months.
